FOR IMMEDIATE RELEASE

CHAPIN AESTHETICS NOW OFFERS SCULPSURE™ FOR NON-INVASIVE BODY CONTOURING

FDA CLEARED TO REDUCE FAT IN A 25 MINUTE PROCEDURE

DOYLESTOWN, PA, FEBRUARY 2, 2016 –Chapin Aesthetics, office of Dr. Scott D. Chapin, is now offering SculpSure™, a proprietary light-based device for the reduction of stubborn fat in problem areas such as the abdomen or love handles.

SculpSure's breakthrough body contouring technology is designed to permanently destroy up to 24%¹ of treated fat in a 25 minute procedure. There is no downtime with SculpSure, so patients can return to normal activities immediately.

"Even with diet and exercise, most people have areas of stubborn fat that seem impossible to get rid of," states Dr. Scott D. Chapin "SculpSure can help patients achieve the results they are looking for with a non-invasive treatment that fits into their busy lifestyles."

Contact us today to learn more about your customized SculpSure treatment at Chapin Aesthetics by calling 267.880.0810 or email patientcoordinator@drchapin.com.
