

Land at Bedford River Valley Park

A new community and water sports destination set within extensive parkland.

Bloor Homes invites you to join our engagement sessions and have your say on the masterplan for land at Bedford River Valley Park.

**9th & 11th January
Public Engagement Events**

Bloor Homes has prepared a draft masterplan showing how we could provide two new water sports lakes, around 1,000 homes, a new primary school, local shops, allotments and other amenities on land at Bedford River Valley Park.

We are holding a period of public engagement where we encourage the community and local stakeholders to feed back on this masterplan, to inform our planning application. Sharing your local understanding and knowledge will help us refine and improve our proposals.

You can find out more about our plans by visiting our website at www.landatbedfordrvp.co.uk, or by scanning the QR code.

**This consultation runs from
9 January to 9 February 2026.**
