DESIGN

SLEEK EXTERIOR

DESIGN THAT MATTERS

A confident stance and sleek front grille design give the E5 impressive road presence from the very first glance.

3

SEAMLESS DOOR HANDLES

Smooth Entry, Sleek Finish

ADJUSTABLE HEATED MIRRORS

Clear Visibility, Every Time

PANORAMIC SUNROOF

Your window to the world

LED HEADLIGHTS

Brilliance, Built in

STYLISH TAILLIGHTS

Light the Way Behind

POWER TAILGATE

One-Touch Convenience

An aerial photograph of a silver car driving on a two-lane asphalt bridge. The bridge spans a wide river with white water rapids. To the left of the bridge is a rocky, forested hillside. The car is positioned in the center of the frame, moving towards the bottom right.

CONFIDENCE ON THE ROAD

Navigate the city or escape for the weekend with ease. The E5 ensures every journey is seamless, safe, and supremely comfortable.

COMFORT-DRIVEN INTERIOR

5

SUPRISING INSIDE AND OUT

Stepping into the interior of the Geely E5 you are greeted with premium materials, functional storage spaces, and generous interior space to achieve ultimate levels of comfort.

PANORAMIC SUNROOF

The panoramic sunroof can be opened to allow in the fresh air. It also includes an opaque sunblind to efficiently manage the in-cabin temperature.

WIRELESS CHARGING

The driver side smartphone storage also functions as a wireless charger which can be turned on and off.

COMFORT AT HEART

Sleek aerodynamic lines meet intelligent interior design. The E5 pairs cutting-edge technology with premium craftsmanship to redefine the driving experience.

ALL FOR THIS

The E5 can charge your gear and
gadgets with V2L tech.

SIT BACK & RELAX

WELCOME TO THE EXECUTIVE LOUNGE

The front seats cool you down and soothe you with ventilation and massage functions (E5 Apex Model Only).

8-POINT
MASSAGE SEATS

SMART STORAGE SOLUTIONS

DEDICATED BOTTLE COMPARTMENT

MORE ROOM, MORE POSSIBILITIES

OVER THE AIR, INTO YOUR CAR

Keep your Geely E5 up to date with Over the Air updates (OTA). The latest release of features and enhancements can be done from the comfort of your own home.

WORLD LEADING FLYME AUTO SYSTEM

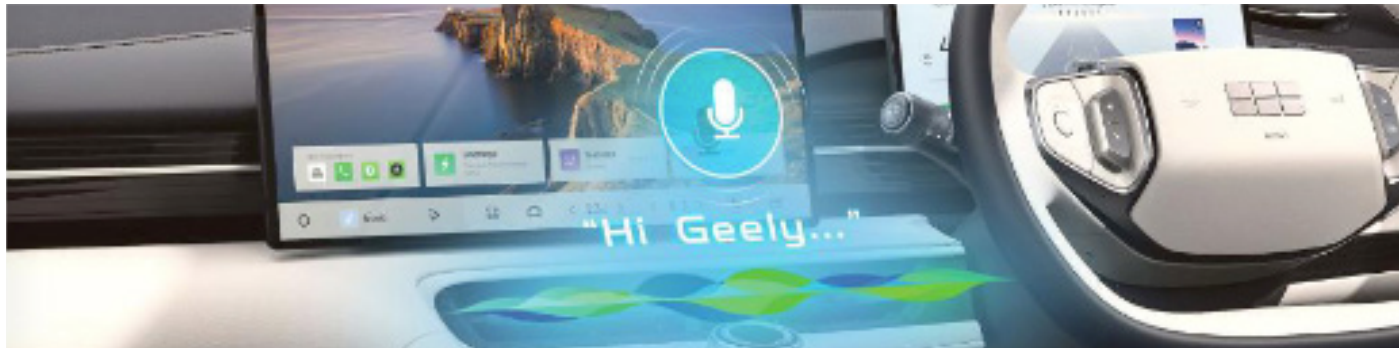

A SMARTER WAY TO DRIVE

Control your car like a smartphone with Flyme Auto, featuring:

FLYME SOUND

1000W, 16-speaker Flyme Sound for an immersive audio experience.

VOICE RECOGNITION

Natural voice recognition with over 200 commands - just say, "Hi, Geely, take me home."

CONTROL WHEEL

Designed for convenience and personalisation, it puts control at your fingertips, exactly the way you like it.

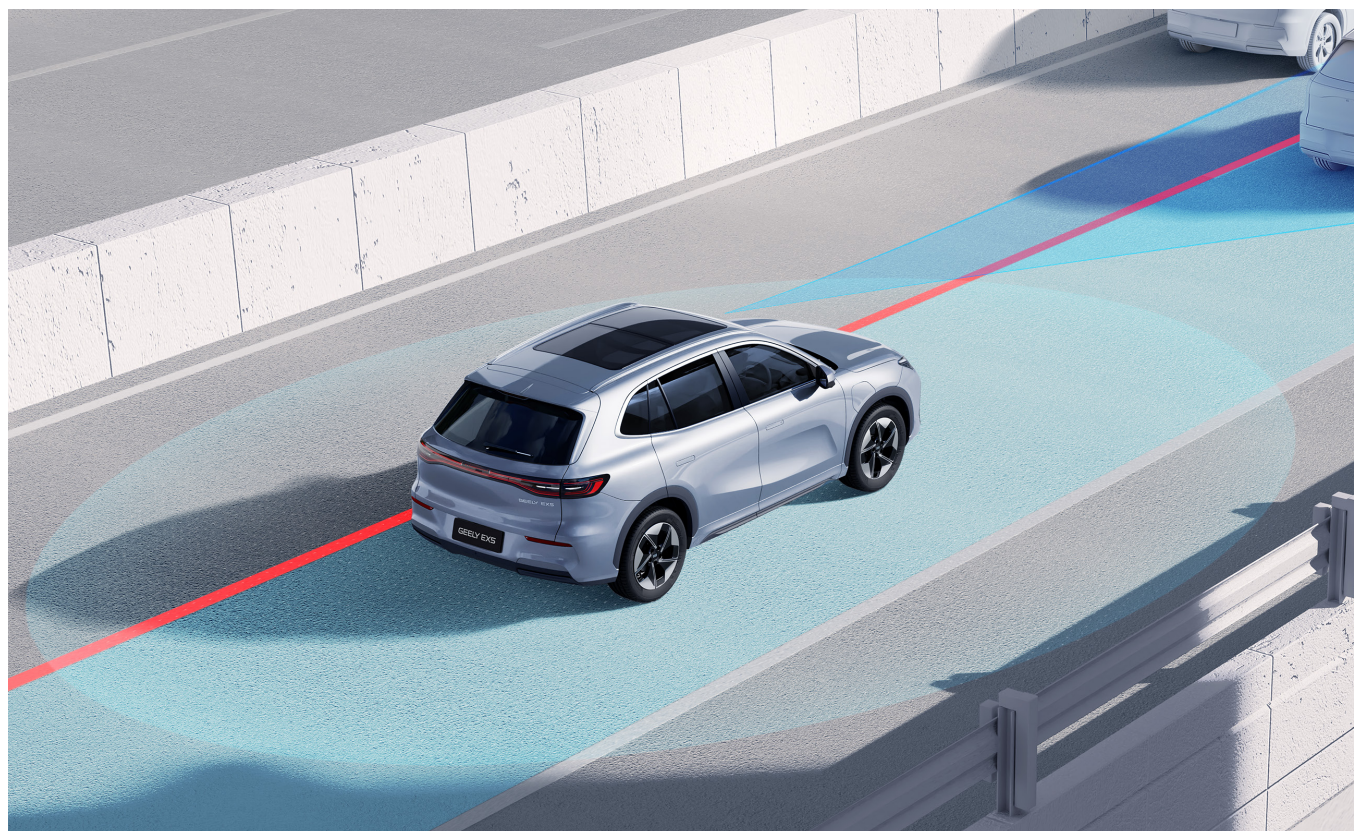

TECHNICAL DETAILS

A top-down view of two teal-colored cars on a light blue surface. The car on the left has concentric blue circles emanating from its front, representing sensor waves. The car on the right is stationary.

SAFETY TECHNOLOGY

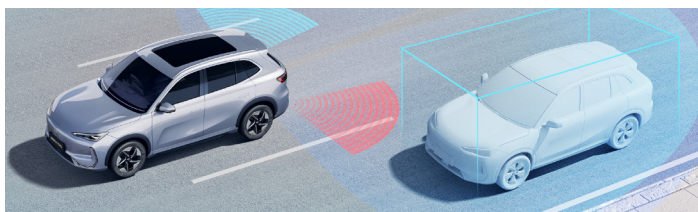

Stay alert and in control with a comprehensive suite of Active Safety features.
