WATCH THE REEL HERE

Tim Heidecker and Eric Wareheim, widely known as the comedy duo *Tim & Eric*, have maintained a vibrant creative partnership for nearly 20 years, producing successful projects across commercials, television, and film.

Their career took off when comedy legend *Bob Odenkirk* noticed their animated short "*Tom Goes to the Mayor*" and helped develop it into a television series, which was picked up by *Adult Swim*. They went on to write, produce, and direct multiple series for the network, collaborating with comedy icons such as *Will Ferrell*, *Zach Galifianakis*, and *Adam McKay*.

Known for their signature humor—rooted in the clash between the ordinary and the absurd—Tim & Eric have brought this approach to global campaigns for clients including *Google*, *Old Spice*, *Bud Light*, *Jet.com*, *Duracell*, *Milk*, *Wrigley's*, *GoDaddy*, *Little Caesars*, and *Boost Mobile*, with several spots premiering during the *Super Bowl*. Their work has earned multiple accolades, including a *Cannes Lions Grand Prix*, *Bronze Merit* from the *CLIO Awards*, and *Gold* and *Silver Pencils* from *The One Show*.
