

# Have your say

Stage one public consultation is open from:  
**Wednesday 6 May to Tuesday 30 June 2026**

Fred. Olsen Renewables is bringing forward plans for a new onshore wind farm between Barnard Castle and Richmond.

The project could generate enough clean energy to power approximately 135,000 homes, supporting the UK's move to net zero. Hope Moor Wind Farm will be designed to respect the local landscape while delivering investment and job opportunities for nearby communities.

**This first stage of consultation gives local communities the chance to share views on our initial proposals. Your feedback could help shape the development of Hope Moor Wind Farm. Join us at one of our in-person events or online webinar to learn more, meet the project team, and share your feedback.**

## Public information events

## Tell us what you think

We will consider all feedback on the draft proposals submitted throughout consultation. A further stage of consultation on our detailed proposals will be carried out before we finalise the plans and submit our application in mid 2027.

**If you have any questions about the project, you can call us on: 0800 138 9192**

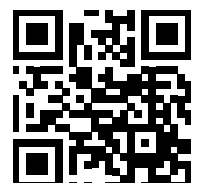

**Feedback deadline:  
Tuesday 30 June 2026**

## Share your feedback in the following ways:

**Online:** Where you can find a version of our feedback form which can be filled in online, or downloaded and printed.  
Visit our website: [www.hopemoor.co.uk](http://www.hopemoor.co.uk)

**Email:** Email your feedback or a copy of your feedback form to:  
[info@hopemoor.co.uk](mailto:info@hopemoor.co.uk)

**Post:** Post any written feedback, including hard copy feedback forms to:  
**Freepost HOPE M** (you don't need a stamp)
