Socialisation

Description

The double pendulum swing with a "bird's nest" seat and a plank seat. The sturdy construction is made from the highest quality ROBINIA wood, which combines a natural ecological appearance with exceptional durability. The wood is resistant to harsh weather conditions. The swing is finished with decorative elements featuring forest motifs (owls).

Playground device consists of

- 1 "bird's nest" seat suspended on chains
- 1 plank seat suspended on chains
- 4 swing legs
- 1 crossbeam
- Decorative elements with forest motifs (owls)
