Description

The freestanding stainless steel slide is a perfect choice for those who appreciate modern design and top-quality craftsmanship. The slide is 3.37 m long and has a sliding width of 0.5 m – ideal for intensive use on any playground.
For those who want to add a splash of color to the playground, we offer the option to paint the slide – this is an optional extra; please consult the seller for available color options.
Match the color of the slide to the surroundings and create a truly unique play feature!

Playground device consists of

- 1 x straight slide
- 1 x climbing ladder
- 1 x foundation legs to embed
