FRABINA H 1,6 m

Code: IS-MO-602

Physical | Social-emotional | Sliding down | Climbing | Socialisation

Description

The freestanding slide made of matte stainless steel is a perfect choice for those who value modern design and top-quality craftsmanship. The slide is 4.04 m long and has a sliding width of 0.5 m – ideal for intensive use on any playground.
For those who want to add some color to the playground, we offer the option to paint the slide – this is an optional extra; please consult the seller for available color options.
Match the color of the slide to its surroundings and create a truly unique play feature!

Playground device consists of

- 1 x straight slide
- 1 x climbing ladder
- 1 x foundation legs to embed
