Description

The playground set made of the highest quality ROBINIA wood, which combines a natural ecological appearance with exceptional durability. The equipment includes a stainless steel slide made of solid steel, adding a modern touch and ensuring that children not only have fun but also enjoy safe use for years to come. The structure and platforms are made of ROBINIA wood, which is resistant to harsh weather conditions.

Playground device consists of

- 1 x slide,
- 1 x staircase connecting the platforms,
- 2 x platforms,
- 3 x "mushrooms",
- 8 x posts,
- 2 x wooden railings,
- 3 x stainless steel handles,
- 4 x stainless steel railings,
- 1 x climbing wall,
- decorative elements with forest motifs (leaves and owl).
