Tornado 130 PLUS Carousel – small in size, big in fun!

Three seats, a central drive wheel, and loads of joy! This 1.30 m carousel is the perfect place for fun and social interaction. Thanks to its compact size, it fits perfectly on both large and small playgrounds. The platform is made of durable HPL with HEXO anti-slip texture, ensuring all-year comfort and safety – it doesn't heat up in summer or freeze in winter. The solid steel structure in an elegant light grey (RAL 9006) is corrosion-protected and powder-coated for long-lasting durability. A stylish, functional, and robust choice for any modern play space.

The device includes

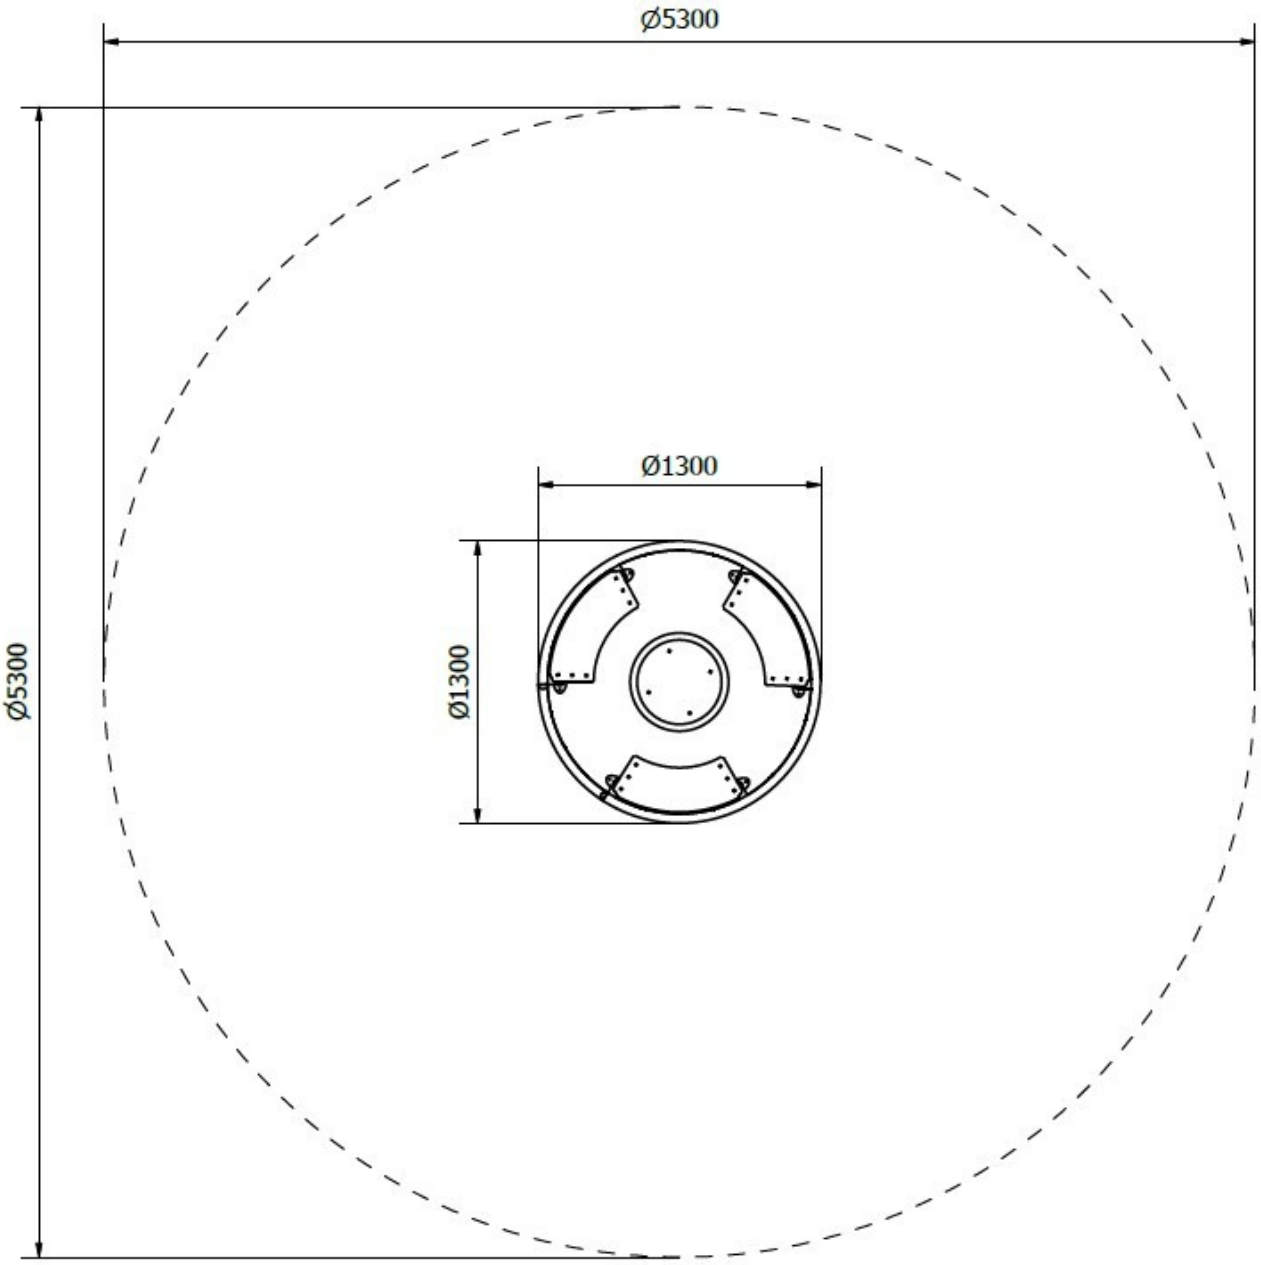

- 3 seats
- 1 drive-operated carousel
