Description

The playground set is made from the highest quality ROBINIA wood, combining a natural, ecological appearance with exceptional durability. The equipment includes a stainless steel slide made from solid steel, a tower, climbing walls, rope ladders, and a vertical climbing rope. The structure and platforms are made from ROBINIA wood, resistant to harsh weather conditions. The set features attractive decorations with forest motifs (leaves and an owl). The product drawing is an integral part of the description – the product must comply with the depicted appearance.

Playground device consists of

- 1 x slide
- 1 x tower with a gabled roof
- 2 x platforms
- 10 x posts
- 3 x rope entrance ladders
- 2 x wooden climbing walls
- 6 x stainless steel handrails
- 2 x steel ladders
- 1 x vertical climbing rope
- Decorative elements with forest motifs (leaves and an owl)
