SOCCER RING 1 (7x7m)

Code: BO-SR-001

Physical | Social-emotional | Cognitive | Running | Socialisation | Thinking | Game with rules | Cardio

Description

The Soccer ring (Muga System) is a system for playing football. The structure consists of football pitch panels that are mounted one above the other two mini gates and entrance gates. In front of the entrance, there are panels preventing the ball from falling out.

The photo picture displays example products frequently modified to meet the requirements of particular projects. The device contains the following modules: AR-1, AR-5, AR-7, AR -9, AR-11.

All images are for illustration purpose only and may vary from the actual product.
