Description

Norte 130 Carousel – small in size, big in fun!

Dynamic, durable, and ready to play! This disc carousel with a diameter of 1.30 m features a triple handle arranged in a star shape – a perfect attraction for children of all ages. The ergonomic layout of the handles makes group play easier and encourages physical activity.

Safety comes first – that's why the platform is made of durable, anti-slip aluminum checker plate, ensuring stability and comfort all year round. The structure, made of steel sheets and pipes, is corrosion-protected and powder-coated in light grey (RAL 9006).

The device includes

- 1 carousel platform
- 1 central post with three star-shaped handles
