Description

Carousel with LUMO PLAY function – light, sound, and movement in one!

Turn an ordinary ride into an extraordinary adventure! Our carousel is equipped with the innovative LUMO PLAY system – a unique technology that generates colorful lights and melodies while in motion. This makes every playtime a dynamic, multi-sensory experience that delights children of all ages.

The triple handle in a star-shaped arrangement ensures a comfortable and safe ride, while the striking lighting integrated into the solid metal construction gives any playground a modern look.

And that's not all! The carousel requires no external power supply or batteries – energy is generated 100% through movement, making it environmentally friendly and encouraging physical activity. Everything can be easily controlled via an intuitive mobile app available on Google Play and the App Store. Play music on the carousel directly from your phone, Spotify, YouTube Music, or any other streaming service. The app allows playground managers to configure the toy's operation during the day and night – from volume control to selecting specific melodies.

The carousel features a graphite-colored design (RAL 7016) made of corrosion-protected and powder-

coated steel sheets and tubes. The platform is made of HPL board with a LUMO engraving.

LUMO PLAY Carousel is a new generation of playground entertainment – innovative, interactive, safe, and full of color!

The device includes

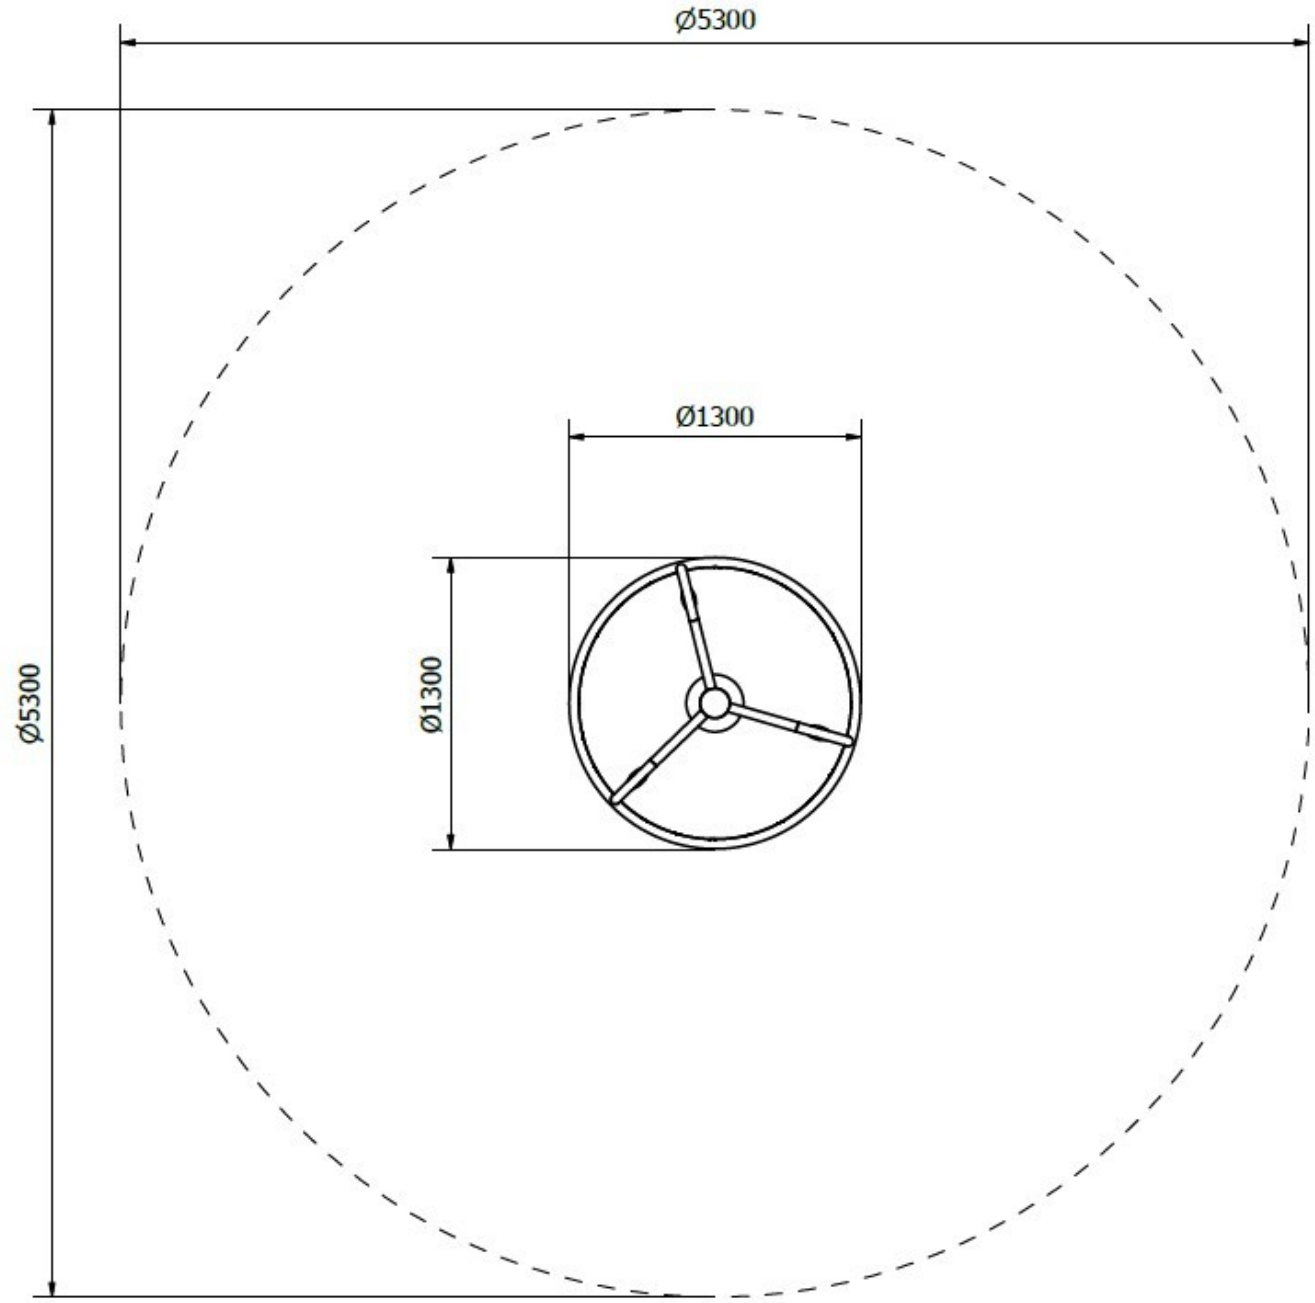

- LUMO PLAY light and sound feature
- 1 carousel platform with three star-shaped handles
- 1 foundation element

Product details

- Dimensions (LxWxH): 1.30 x 1.30 x 0.80 m
- Safety zone: 5.30 x 5.30 m
- Maximum fall height: 1.0 m
- User age: 2+
- Maximum number of users: 4
- A certificate confirming compatibility with norm EN 1176
- Dimensional differences not greater than +/- 5% are allowed

Materials

- Graphite-colored construction (RAL 7016) made of corrosion-protected, powder-coated steel sheets and tubes
- Orange HPL platform with LUMO engraving
- Orange HDPE plastic decorations with circular engraving
