PIRO 4-1

Code: BO-AK-541-R

Physical | Social-emotional | Cognitive | Sliding down | Climbing | Crawling | Socialisation | Balancing

Description

Four towers playground set with two slides, two tunnels, and two bridges for kids age 1 - 4. A set with vivid colours and with finger patterns that encourages children to play and explore. The construction is made of black steel, protected against corrosion, resistant to weather conditions, and intensive use. The platform is made of HPL with non-slip texture. Thanks to this solution the floor is soft (more safety) and it is not heating during sunny days and it is not freezing during the winter.

Playground device consists of

- 2x slide
- 1x entrance stairs
- 1x bridge
- 1x rope bridge
- 1x tunnel bridge
- 1x rope tunnel bridge
- 4x tower with roof
- 2x vertical ladder
