

Number Slider

A number slider template consisting of a horizontal row of nine white rectangular boxes. Above each box is a place value label: TEN-THOUSANDS, THOUSANDS, HUNDREDS, TENS, ONES, TENTHS, HUNDREDTHS, THOUSANDTHS, and TEN-THOUSANDTHS. A small white dot representing a decimal point is positioned between the ONES and TENTHS boxes. A horizontal dashed line runs below the row of boxes. Below the dashed line is a solid orange horizontal bar. To the right of the slider, there are instructions: 'CUT OUT' with a solid orange line below it, 'FOLD' with a dashed orange line below it, and 'GLUE A THIN STRIP ON THE REVERSE SIDE HERE AND STICK TO THE TOP OF THE SLIDER'.

CUT OUT

FOLD

GLUE A THIN STRIP ON THE REVERSE SIDE HERE AND STICK TO THE TOP OF THE SLIDER

A large empty rectangular box with a thin orange border, intended for students to write a number on the slider.

Number Slider

The image shows a 'Number Slider' template. At the top, there is a row of nine rectangular boxes for digits. Above these boxes are labels for place values: TEN-THOUSANDS, THOUSANDS, HUNDREDS, TENS, ONES, TENTHS, HUNDREDTHS, THOUSANDTHS, and TEN-THOUSANDTHS. A solid black dot representing a decimal point is positioned between the 'ONES' and 'TENTHS' boxes. Below the digit boxes is a horizontal dashed line indicating where to fold. A light gray shaded strip is located at the bottom of the main template area. Below the main template is a large empty rectangular box for writing.
