| Shouting A boat! | | | |
|--|---------------------|------------|------------|
| It pulled up men | beside us jumped | on | our boat |
| a gun | | | |
| They | stole | everything | we had. |
| Pirate baby threatening to throw him in | | | |
| All the scared, hungry, people on our boat ready | | | |
| to fight | | | |
| changed mind tossed child life spared | | | |
