EXTERIOR COLORS			
Dark Blue			
Ivory White***			
*The indicated values were determined in accordance with the prescribed measurement method – the New European Driving Cycle (NEDC) test procedure. The figures shown are provided for comparability purposes only; compare them solely with other vehicles tested under the same technical procedures. Actual driving results may vary, depending on various factors such as factory-fitted options, post-registration accessories, weather conditions, driving style, and vehicle load.			
**The internet data service in the head unit may be provided as part of a complimentary package. However, the details of the plan and associated terms are determined and explained exclusively by PT Geely Auto Indonesia. The validity period of each app license may vary, and the interpretation rights rest solely with PT Geely Auto Indonesia.			
***Optional interior or exterior color choices may be included in an additional package. The details of the specific package and related terms are defined and clarified solely by PT Geely Auto Indonesia.			
*Nilai yang tertera ditentukan sesuai dengan metode pengukuran yang ditetapkan – prosedur uji New European Driving Cycle (NEDC). Angka-angka tersebut disediakan hanya untuk tujuan perbandingan; bandingkan hanya dengan kendaraan lain yang diuji menggunakan prosedur teknis yang sama. Hasil berkendara aktual dapat berbeda-beda, tergantung pada berbagai faktor seperti opsi bawaan pabrik, aksesoris tambahan setelah registrasi, kondisi cuaca, gaya mengemudi, serta beban kendaraan.			
**Layanan data internet pada head unit dapat disediakan sebagai bagian dari paket gratis. Namun, rincian paket dan syarat terkait sepenuhnya ditentukan dan dijelaskan oleh PT Geely Auto Indonesia. Masa berlaku lisensi setiap aplikasi dapat berbeda, dan hak interpretasi sepenuhnya ada pada PT Geely Auto Indonesia.			
***Pilihan warna interior atau eksterior opsional dapat disertakan dalam paket tambahan. Rincian paket spesifik dan syarat terkait ditentukan dan dijelaskan sepenuhnya oleh PT Geely Auto Indonesia.
