

# THE BEST BEAUTY SURGEONS

*Bazaar's Hot List: 24 doctors on the cutting edge. By Alexandra Parnass*

WHILE SKIN-SMOOTHING LASERS, peels, Botox, and other wrinkle erasers are incredibly fast-growing noninvasive procedures (and are performed regularly by most of the plastic and cosmetic surgeons listed here), going under the knife remains the gold standard if you're looking to significantly rejuvenate your face and body. The top five requests: breast augmentation, nose reshaping, eyelid surgery, liposuction, and face-lift.
