

DEFORESTATION: WHAT PART DOES YOUR BUSINESS PLAY?

We've looked at how our software—BrightHR—helps employers go green.

We found that every time an employer uses BrightHR to approve a holiday request, they **SAVE** two pieces of paper. In total, that works out at keeping **422 trees*** alive every year.

67,163 TREES A YEAR

would be saved if all UK employers used BrightHR.

HERE'S WHY THAT MATTERS...

4 BILLION

trees are cut down each year to meet demand for paper across the world.

(Ecology, 2011)

DID YOU KNOW?

The paper industry is the fourth largest for producing greenhouse gas.

(European Commission, 2018)

75% OF LEADING
GLOBAL CROPS

are dependent on animal pollination.

(WWF, 2019)

73.4 MILLION

acres of trees were cut down in 2016. That's a 51% increase on the year before.

(Global Forest Watch, 2017)

80 PERCENT

of the Earth's land animals and plants live in forests, and deforestation threatens species including Orangutans.

(National Geographic, 2019)

GO PAPERLESS NOW AND DO YOUR BIT

There's an easy way to go **paperless**, and it's with **BrightHR**.

This **smart software** simplifies your HR processes so you can instantly go **paper-free**.

It lets you **approve holidays** and **log sickness** on the go using the **free** mobile app.

Plus, it comes with **unlimited storage space** for all your confidential documents.
