

Payback Calculator Terms and Conditions

1. Estimate based upon you making full use of Peninsula's services and taking active steps to maximise your own return on investment.
2. These indications are based upon national averages, however each business will vary based upon its own individual circumstances beyond Peninsula's control. Nothing in this estimate shall constitute any condition, warranty, undertaking or representation.
3. These calculations are applicable from 01 June 2024 and do not relate to any engagement of Peninsula's services predating this.
4. Nothing in these calculations shall give rise to any refund entitlement in the event of the desired return on investment not being achieved.
