

HR STRIKES BACK: WHEN BAD MANAGEMENT GOES GALACTIC

Workplace dangers aren't confined to a galaxy far, far away. From Death Star design flaws to poor stormtrooper performance and lack of proper PPE, workplace challenges span galaxies. And they're not alone, as Earth isn't immune to HR and health & safety's dark side.

H&S ISSUES

1.2 million

Lives lost to reactor flaws

1,057

Workplace fatalities in 2023

The Empire built a moon-sized death machine with one fatal design flaw. Earth needs better safety engineers too.

WORKPLACE SAFETY

Every 384 minutes (a full trilogy)...

5 workers

Are choked by Darth Vader

5 workers

Are victims of workplace violence or harassment

Both Death Stars and Earth offices need better safety protocols.

POOR PPE

296

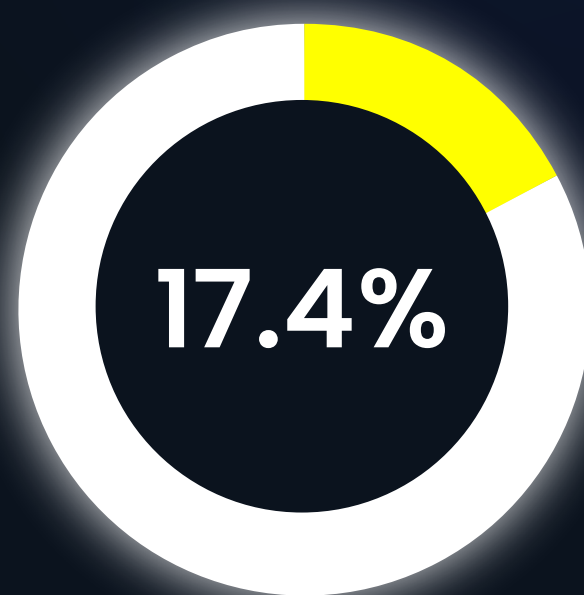

Missed shots by stormtroopers in one incident due to poor PPE

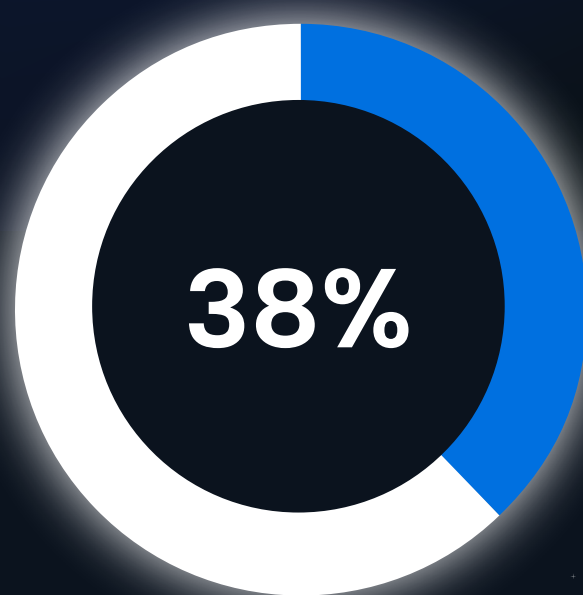

348,747

Work related injury claims in 2022

AI POLICY

Of The Empire work force are droids

Of CA workforce are using AI (and growing)

Earth is more tech-forward than a galaxy far, far away.

WORKPLACE PRESSURE

3 threats

From Darth Vader to pressure Luke to join the dark side

4,100,000

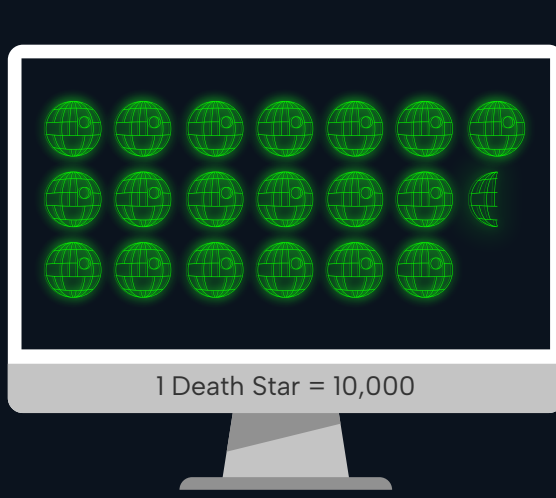

CA employees experience work-related stress in 2023

DATA SECURITY

1

Death Star plan stolen due to poor cyber-security

1 Death Star = 10,000

195,000

CA businesses experienced a cyber-attack in the past 12 months
