UPCOMING TRAINING

Attention-Deficit/Hyperactivity Disorder (ADHD) for Primary Care

with Colleen Leitner, M.D.

Join DCPAP for an educational training on ADHD in primary care, including diagnosis, clinical features, and evidence-based treatment considerations.

November 18, 2026 | 12 - 1 PM

REGISTER NOW

LEARNING OBJECTIVES

- Introduce diagnostic features of attention-deficit/hyperactivity disorder (ADHD)
- Discuss relevant clinical features, comorbidities, and differential diagnoses for ADHD
- Present treatment guidelines for ADHD
- Introduce pharmacokinetics, dosing, side effects, and practical considerations for medication treatment in ADHD

Participants may receive one CME credit through the Medical Society of Delaware.
