

# Wine Category 14<sup>th</sup> Concours

The organisers reserve the right to suppress the categories which do not contain a minimum of samples. They reserve the right to create new categories corresponding to appellations in the categories of «Wines from geographic regions», if a sufficient number of samples are presented. Each sample may be submitted under only one classification.

Beschikbaar in het nederlands  
Disponibile in italiano - Disponibile en español  
Verfügbar in deutsch - Disponibile en français  
Disponível em português

Between these categories, there will be a prize awarded to the best wine from each country participating in this competition.
