REGULATION CLAUSE E.U.:

The competition is open to all wines, special wines and «mistelles» in accordance with the definitions of the «International Code of Oenological practice» (relevant to the EEC regulations). The wines should be available in a quantity of at least 1,000 litres and be available for consumption in receptacles of less than or equal to 2 litres. See other details and exceptions in paragraph II of the regulation. Samples must be presented in bottles with labelling and origin details. Labelling must conform to E.U. regulations for wines destined for sale within E.U. countries.

Certificate of analysis and wine appreciation

The samples must be accompanied by a copy of an official analysis certificate containing at least the information listed below:
