# 2012 Wine Classification Rules and Codes

## CLASSIFICATION RULES

1. All blended wines must have varietal percentages indicated on the application form.
2. All varietal wines must contain at least 75% of the varietal, or it must be entered in a blend category.
3. All entries with residual sugar over 0.1% must have residual sugar % stated on the entry form.
4. Library wines are those that were in commercial release prior to June 1, 2005. Wines will be judged in age group categories.
