3 – How many wines can I enter?

You can enter as many wines as you like. All we ask is that you provide two samples for each wine entered plus the required entry documents.

4 – When do I get my tasting results?

Your tasting comments and scores will be sent to you within eight weeks of sample receipt. Over the following two months, they will be translated into your chosen languages (French, English, Chinese, Japanese, Italian, Spanish, Portuguese, German and Russian).

5 – How are the wines scored?

The wines are blind tasted by the Gilbert & Gaillard tasting panel featuring international experts. They are scored out of 100.

6 – How much does it cost to enter?

The entry fee for the International Challenge and Gilbert & Gaillard wine guide is 45 € per wine, per language.

7 - How can I communicate with my clients when my wine is awarded with a medal?

Our communication process about medals is framed by a strict protocol. Please get in contact with Petru Van der Walt for complete terms and conditions that we offer you.

8 – Which documents must I provide to enter my wines?

The entry pack should include:

- The entry form attached to this pack (one per sample, photocopy if necessary)
