

# Kingdom Death: Dark Treasury Guide

**Dark Treasury is the next step in connecting Kickstarter backers to their pledge rewards. Dark Treasury provides backers with information about fulfilled, available, and future Kickstarter rewards and preorders. Connect the Dark Treasury to a Kingdom Death shop account to ship your rewards when and where you want!**

We know the burden of global shipping has grown tremendously in recent years so we want to make shipping as painless, flexible, and transparent as possible.

Connecting the Dark Treasury to the Kingdom Death shop allows you to bundle available rewards into a single shipment, pick your region, specify up-to-date addresses, and even combine rewards shipping with store purchases!

The Dark Treasury requires an Account of Death (a growing suite of tools for Kingdom Death customers). Once you create your account, Account of Death will load your backer rewards in the Dark Treasury. Here you can review the past, present, and future Kickstarter rewards.

Link your Account of Death to your Kingdom Death shop account to ship your available rewards.

A complete guide to getting started is below.

# Create an Account of Death

The screenshot shows the top navigation bar with links for Monster, News, Rules, Hobby, Shop, Support, and Account of Death. A 'GET UPDATES' button is in the top right. Below the navigation is a 'Login or Create Account' link. The main content area features a background image of characters from Kingdom Death: Simulator. A pink callout box with a white exclamation mark contains the text: 'Create an Account of Death. Make sure your email matches your backerkit email.' To the right is the registration form, which includes fields for Email, Password, and Confirm Password, a checkbox for 'Accept terms and conditions', and a 'Register' button. At the bottom of the form is a link: 'Already have an account? Login instead!'. Below the form are links for 'Terms' and 'Privacy Policy'.

Account of Death (AoD) provides access to the Dark Treasury and Kingdom Death: Simulator.

To create an account, visit: <https://auth.kingdomdeath.com/register>.

If you already have an AoD and it does not match your Backerkit email address, you may create a second one that does match or [contact support](#) and we will help you configure your account.

# Link your Kingdom Death shop account to your AoD

Once you login, you will arrive at your account details page, where you can link your shop account. This is a one-time process. You will need to link a shop account to add Dark Treasury kickstarter rewards to your Kingdom Death shopping cart and checkout!

**DON'T HAVE A KINGDOM DEATH SHOP ACCOUNT YET? [CLICK HERE](https://shop.kingdomdeath.com/account/) (https://shop.kingdomdeath.com/account/) TO CREATE ONE BEFORE CONTINUING.**

The screenshot shows the 'Account of Death' user interface. At the top, there is a navigation bar with links for Monster, News, Rules, Hobby, Shop, Support, and Account of Death, along with a 'GET UPDATES' button. Below this is a secondary navigation bar with links for Account Details, Campaigns, Dark Treasury, Simulator Purchases, Shop Purchases, and Admin. The main content area is titled 'Account of Death' and includes a welcome message and instructions on how to use the account. There are several sections: 'Looking for your Kingdom Death Shop Account?' with a 'Login Here' link; a form for 'Email' and 'Password' with 'Change Email', 'Change Password', and 'Log Out' links; a 'Linked Accounts' section with a 'Link KD Shop Account' button circled in red and highlighted by a callout box; and a 'Deploy Time' section showing 'Wed, 01 May 2024 14:21:49 GMT'. At the bottom, there is a 'Download The Launcher!' button with an Apple logo and a link for 'Download for PC instead?'.

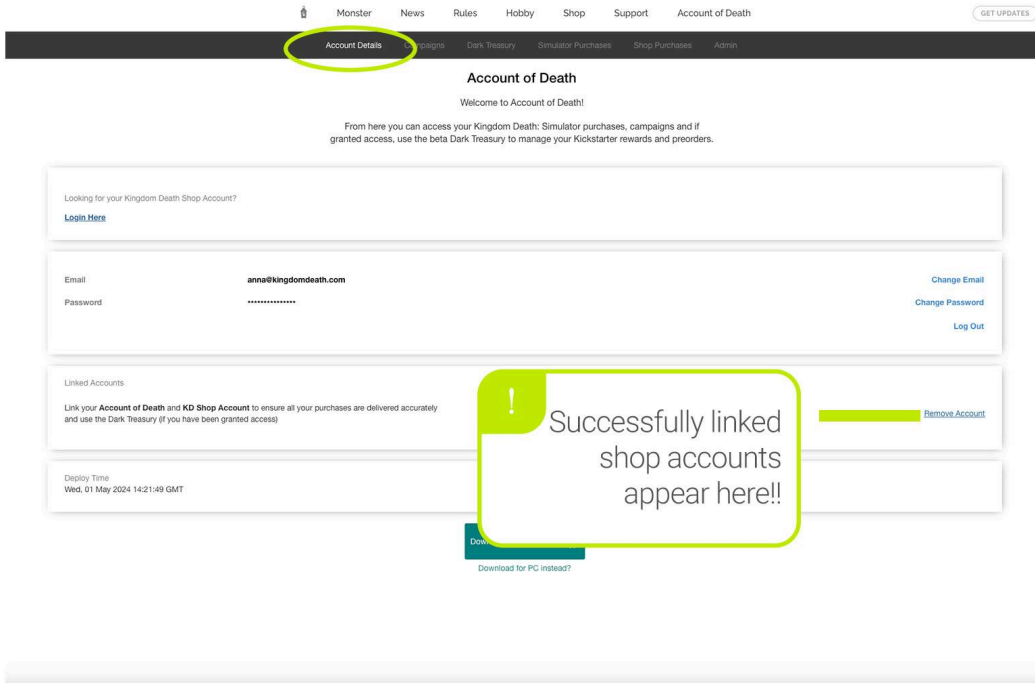

To link accounts, enter your shop account email. You will receive a 6-digit code to that email. Enter it on the next screen to link the shop to your Account of Death.

If you do not receive a 6-digit code after the first attempt - we suggest the following steps:

- Check your Spam folder
- Make sure to recheck the issue using an alternative browser and/or device
- Double-check your email account settings (if it allows you to receive emails of such type) or if any alternative restrictions are enabled

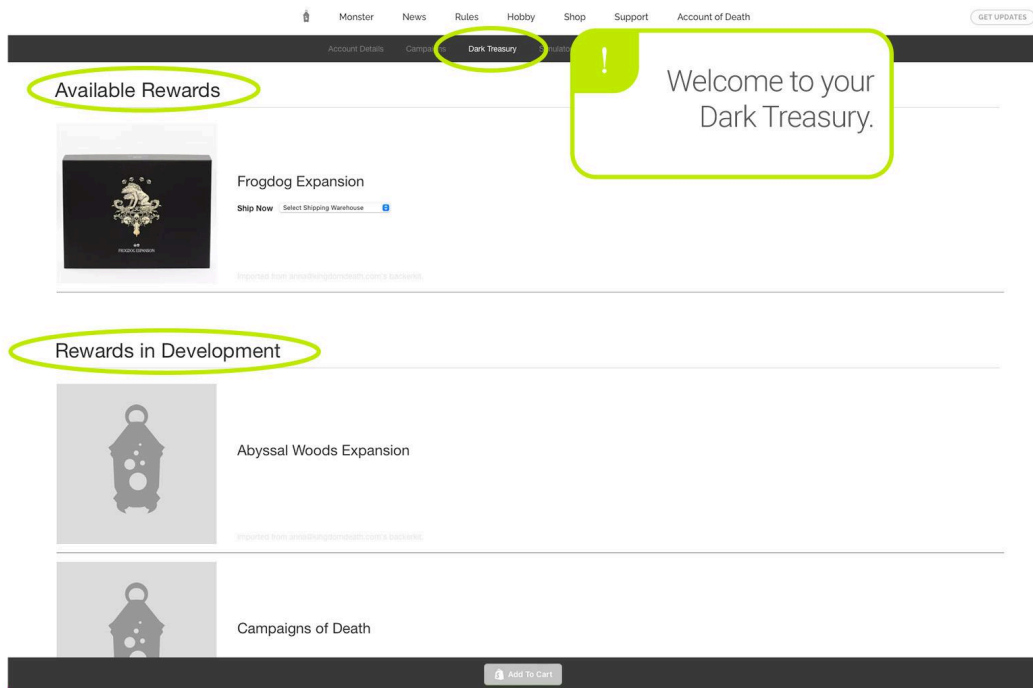

If you have performed the above steps and you still have not received the mentioned code - please reach out to our support team via <https://support.kingdomdeath.com/en-US/contact>.

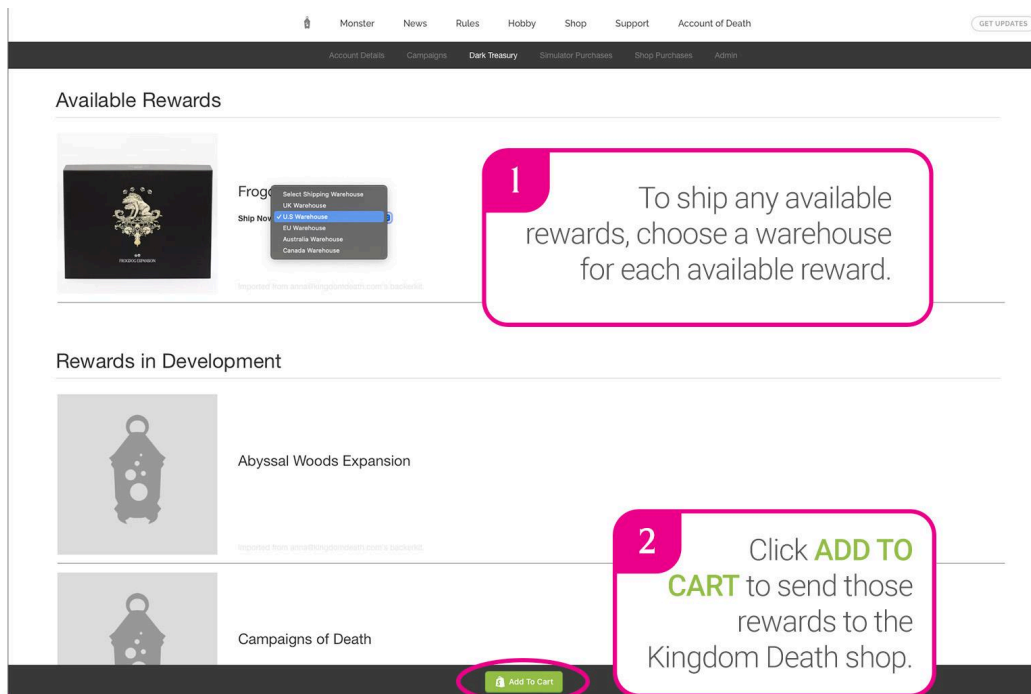

Once the account is linked, you will see your Kingdom Death shop account under the “Linked Accounts” section on the **Account Details** page.

If you wish to unlink the connected Kingdom Death shop account and use a different account instead - please click the Remove Account link. You can re-add it anytime.

# Treasury in Action

After connecting the Kingdom Death shop to your AoD account you can return to the Dark Treasury section and start shipping your rewards. The Dark Treasury is organized into 3 sections, **Available Rewards** | **Rewards in Development** | **Fulfilled Rewards (not shown, scroll down to the bottom)**

When a Kickstarter reward is available, it has a drop-down where you can select a shipping warehouse based on your shipping address. Please select a warehouse and then click the active Add to Cart button in the footer.

You will be redirected to the KD Shop page where your chosen rewards are waiting for you in your shopping cart.

You can either add all available items at once or just some of them. Please keep in mind that you cannot add more items than what you have originally pre-ordered.

## The Rest of the Treasury

### Rewards in Development

The Rewards in Development section lists all rewards in various states of production in the studio. You will be notified by email as rewards in development become available to ship.

### Fulfilled Rewards

The Fulfilled Rewards section lists all rewards which you have received.

## Rewards in the Shop

Once your rewards are in your store cart, you will see their price which is adjusted to reflect your prior pledge payment - you can **Checkout** or add additional items from the shop.

The screenshot shows the KD Shop website interface. At the top, there is a navigation bar with links for Monster, News, Rules, Hobby, Shop, Support, and Account of Death. A notification banner indicates "EU Shipping experiencing significant delays." Below the navigation bar, there is a menu with categories: New, Game, Limited Edition, Miniatures, Accessories, and Simulator. The main content area displays a shopping cart titled "Shopping cart". The cart contains one item: "Kickstarter Frogdog Expansion" with a price of \$105.00 and a quantity of 1. The total price is \$105.00. Below the item list, there is a "Subtotal" section and a "CHECK OUT" button. A callout box on the right side of the cart says "Explore Kingdom Death or CHECKOUT with your rewards." The "CHECK OUT" button is highlighted with a red circle.

Product	Price	Quantity	Total
Kickstarter Frogdog Expansion	\$105.00	1	\$105.00
U.S Warehouse	\$0.00		
Subtotal			

To browse the KD Shop, select "Continue shopping" and explore our recent retail releases.

If you change your mind - you can always remove the reward (or store item) from the cart and add them later by visiting the Dark Treasury or the shop.

Please keep in mind that shipping items from multiple warehouses is possible but may significantly impact the shipping price (from one place or more than one place).

Shipping prices are calculated according to the number of items you have added from the store.
