Fire

Nova Series

ecosmartfire.com

Nova Series Design features

1. Fluid™ Concrete

Incredibly strong yet relatively lightweight, EcoSmart's concrete products incorporate revolutionary Fluid Concrete Technology. Fluid features a stain and impact-resistant barrier that protects the concrete from environmental weathering – even under extreme conditions and long UV exposure.

Environmentally-Friendly

Bioethanol fireplaces use an environmentally-friendly, renewable energy source that burns clean and delivers warming heat. You and your guests will enjoy the ambiance and tranquility of a real fire, without the hassles of burning real wood - no more embers, ash, and soot to clean up.

Surround Colours

Our fires are available in three Fluid Concrete colours.

Natural

Graphite

Bone

2. Decorative Media

Concrete models come with black glass charcoal.

3. Articulating Feet

Our Fire Pits and Tables feature 360° height-adjustable articulating feet, so you can achieve a perfectly level and stable model before operating the fireplace.

Versatile & Incredibly Durable

EcoSmart portable fireplaces are versatile, incredibly durable, and are constructed of weather resistant materials. These appliances are designed to look great for years, and will perform admirably through all four seasons.

4. Burner Colours

Available with a Stainless Steel or Black Burner.

Available in 2 Sizes

Nova 850 stands 310mm [12.2in] tall, 850mm [33.5in] wide. The smaller Nova 600 stands 220mm [8.7in] tall, 600mm [23.6in] wide.

Quick & Easy Installation

With no installation or building works required, simply unpack, put into position, and off you go.

Ground Fixing Brackets

Models come with fixing brackets for permanently locating into a fixed position.

Global Compliance

These models comply with existing standards in the USA and Australia. UL Listed and ACCC Safety Mandate compliant.

Included Accessories

Jerry Can with Safety Spout & e-NRG bottle adaptor

Lighting Rod & Lighter

AB8 Efficiency Ring
(Nova 850 only)

Jerry Can Spout Extension
(Nova 600 only)

Black Glass Charcoal

Optional Accessories

Outdoor Covers

2 Select a finish

Choose from our commercial-grade concrete which is extremely durable yet incredibly lightweight or our FSC Certified Teak finish, made of the strongest and most durable hardwood available.

*Teak not available for Ark 40, Mix, Nova & Pod Series.

3 Select application

Our Fire Pits and Fire Tables are suitable for use both indoors and outdoors but are pre-assembled for Outdoor Use.

If you're wanting to use it indoors additional parts are required - make sure you know where you wish to use the product as this is important to inform at the time of purchase.

Indoor

Outdoor
