

*Jacuzzi*<sup>®</sup>

A Jacuzzi hot tub is the central focus, situated on a light-colored stone patio. The hot tub has a dark, textured lower half and a lighter, smooth upper half. It features several jets and a central waterfall feature. The hot tub is positioned under a modern pergola with a white fabric canopy and dark metal framing. In the background, there is a building with vertical wood slat siding and a large window. The scene is set during the golden hour, with warm sunlight casting long shadows and illuminating the hot tub and the surrounding area. The overall atmosphere is serene and luxurious.
