A reference to:

- one gender includes any other gender;
- the singular includes the plural and the plural includes the singular,

1.1.2 FINANCIAL CLAIMS SCHEME

The Financial Claims Scheme protects depositors through the provision of a guarantee on deposits (up to a cap) held in authorised deposit-taking institutions (ADI's) in Australia and allows quick access to their deposits if an ADI becomes insolvent.

As such please note the following information:

- You may be entitled to payments under the Financial Claims Scheme; and
- Access to the scheme is subject to a limit for each depositor; and
- Information about the scheme can be obtained from the APRA website at <https://www.fcs.gov.au/> and the APRA hotline on 1300 558 849.

2. MEMBERSHIP AND ACCOUNT OPENING

With some minor exceptions, mutual banks like us can only open accounts for people if they are members of the bank. Almost everybody is eligible to become a member of a mutual bank or credit union, however some like us have different eligibility criteria.

Our membership is available to people who are:

1. members of a Police Force
2. persons involved in Emergency Services
3. persons involved in Health Work
4. persons involved in Public Service
5. persons working within 5km of one of our offices

6. persons introduced by an existing member of at least 12 months standing
7. persons approved by the Chief Executive Officer or an Executive Manager
8. family members of a person admitted to membership under 1 to 4 above.

Other Depositors:

Deposit facilities, without the need to become a member, are available for Unincorporated Depositors. For example, social clubs where an officer or social club member is a fully paid up (shareholder) member.

You should then apply for membership – you can do this over the counter at one of our branches, by completing an online interactive application or download a membership application from our website bankvic.com.au or call us on 13 63 73.

2.1 MEMBERS

A membership application and supporting documentation is to be completed by each applicant.

Eligible persons or corporate bodies must become fully paid up (shareholder) members. Shareholders are required to purchase 10 one-dollar (\$1.00) shares. The shares are non-interest bearing and as preference shares are redeemable upon closure of membership. No dividend is paid on these shares which are not listed on any stock exchange.

2.2 NAMES

The law does not allow you to open an account using a false name. However, if you are commonly known by more than one name, you can open an account in any one of those names, but you must give us all the other names that you use.

These same rules apply to becoming a signatory to an existing account.

If you change your name, for example, upon marriage, you will need to give us a change of name statement. We will give you guidance on the procedure to change the name of your account.

2.3 INDIVIDUALS

Any person wishing to open an account with us must become a fully paid up (shareholder) member, completing a membership application and supporting documentation. Members are entitled to apply for the full range of products and services and may exercise their right to vote on matters in accordance with the Constitution of BankVic.

Account opening documentation is to be provided by each account holder. Australia's anti-money laundering legislation requires that we collect the full name, residential address and date of birth of each account holder and signatory to an

account and that we must verify this information. Call us on 13 63 73 or visit a branch to find out how we will verify your identity and/or more about your and our obligations.

2.4 NON-SHAREHOLDER MEMBERS

From 1 July 1999, persons formerly recognised as non-shareholding members have been known as non-paid up members holding ten shares of nil 'paid up' value.

2.5 MINORS

A child under the age of 18 years, who meets eligibility requirements can purchase 10 x one dollar (\$1.00) shares and become a fully paid up member of BankVic. *Those persons having joined us prior to 1 July 1999 and being under the age of 18 years, were formerly recognised as non-shareholding members and are now known as non-paid up junior members holding one share of nil 'paid up' value.*

Having become a member, a child can join the Little Copper Club and open a savings account specially designed for minors. It is optional that the child operate the account. Irrespective of whether or not the child is to be a signatory, we will need to verify their identity prior to opening the account.

Note that regardless of age, the child is the member and account holder. The parent or guardian can be accepted as the authority to operate and their power may be revoked by the member/account holder at any time.

Occasionally we will receive a request from one parent to restrict the access to a Little Copper account of an estranged parent. We take the view that such issues are best arranged by agreement between the parties involved. However, where this is not possible and a request is made of us, we will treat all matters on a case by case basis. However, we acknowledge as a matter of practicality, a custodial parent will in most circumstances need to exercise oversight of their child's banking arrangements.

2.6 BUSINESS MEMBERSHIPS

Individuals wishing to open an account in the name of a trading business may apply for membership as a fully paid up member:

- the membership will be in their own name and
- the account will be in the same name as their membership trading as the business name.

When applying to open an account we require the following information for sole traders:

- full business name;
- full address of the principal place of business; and
- any ABN issued to the business.

The sole trader or persons in partnership trading as a business

may have access to all products and services, excluding Visa cards, overdrafts and loans.

When applying to open an account in the name of a partnership we also require:

- full name of the partnership; and
- the country in which the partnership was established.

We will need to verify the information about the sole trader or each partner. Call us on 13 63 73 or visit a branch to find out how we will do this.

We will also require evidence of the registration of the business name and a copy of the Partnership Agreement.

If there is no formal Partnership Agreement or Registered Business Name a letter signed by all of the partners should include advice of same.

If the entity trading as the business is a company, the membership will be in the name of the company and as such documents detailed under 'Incorporated accounts' will be required.

2.7 TRUSTS

The legal trustee/s of a trust can apply for membership and open an account with BankVic. As the account will be in the name of the trustee/s, each trustee will need to be a fully paid up member and have their identity verified in line with the AML / CTF obligations for individuals and/or corporations.

When opening an account we require the following additional information:

- the full name of the trust, including any business name;
- type of trust (e.g. family, SMSF, etc.) and the country in which it was established;
- the full name of the settlor of the trust (unless the establishing contribution by the settlor was less than \$10,000); and
- the full name of each beneficiary.

We will need to verify this information and seek a certified copy of the schedule to the trust deed to do this.

If the trustee is a company, we require the trustee to provide the documents as detailed under 'Incorporated members'. If the trustee is an individual, then please follow the guide under '2 Individuals'.

2.8 INCORPORATED MEMBERS

Companies, incorporated associations and co-operatives may apply to become fully paid up members where they meet the eligibility of,

- i. having an officer or employee who is a member of BankVic; acting as a trustee of a trust in which a BankVic member is a beneficiary; or

- ii. being a body corporate, or a member of a class of bodies corporate approved under the standards of the Australian Prudential Regulation Authority.

The company, incorporated association or co-operative can then open an account in that name.

Incorporated members have access to all products and services, excluding Visa cards and overdrafts. Loan applications to incorporated members are not generally accepted.

2.8.1 COMPANY ACCOUNT

To open an account we require from the company a signed application, in the form required by us, signed by all directors or under common seal (if applicable) of the company stating the following:

- a. that the opening of an account with us has been authorised by the Board of the company;
- b. the number of signatories required to sign any single transaction for any withdrawal or transfer of funds or to otherwise deal with company assets; and
- c. the names and signatures of the authorised signatories.

We will also need to obtain:

- the full name of the company as registered by ASIC;
- the full address of the company's registered office;
- the full address of the company's principal place of business;
- the ACN issued to the company;
- the type of company, i.e. public, majority owned subsidiary, licensed, unlisted public or proprietary; and
- if a proprietary company, the name of each director is required.

If there is a beneficial owner to the account, that is someone who ultimately owns (shareholding of 25% or more) or controls (through a trust, agreement or understanding) the customer directly/indirectly, we will need to collect and verify their full name and either date of birth or residential address.

Verification of the full name, ACN and registration with ASIC is also required. We will obtain a company search to verify this information and will advise of the cost before we do so. Call us on 13 63 73 to discuss your requirements.

2.8.2 INCORPORATED ASSOCIATIONS / CO-OPERATIVES

To open an account for an Incorporated Association or Co-operative we require the following information:

- the full name of the association or club;
- the full address of their principal place of administration or registered office;
- any unique identifying number issued to the association upon its incorporation; and
- the full name of the chairman, secretary and treasurer or equivalent officer/s.

If there is a beneficial owner to the account, that is someone

who ultimately owns (shareholding of 25% or more) or controls (through a trust, agreement or understanding) the customer directly/indirectly, we will need to collect and verify their full name and either date of birth or residential address.

We will need to verify this information through the Australian Securities and Investments Commission or other government body responsible for the incorporation of the association.

We will also require a signed application, in the form required by us, signed under common seal (if applicable) detailing:

- a. that the opening of an account at BankVic has been authorised by the Board of the corporate body;
- b. the number of signatories required to sign any single transaction for any withdrawal or transfer of funds or to otherwise deal with corporate assets; and
- c. the name, residential address, date of birth and signature of each authorised signature. Each will need to be verified under our AML/CTF obligations.

2.9 UNINCORPORATED BODIES

'Unincorporated Bodies' are able to deposit funds and have access to all products and services, excluding Visa cards, overdrafts and loans, without having to become a member of BankVic.

When applying for a deposit account, we require the following information:

- the full name of the association or club;
- the full address of their principal place of administration;
- the full name of the chairman, secretary and treasurer or equivalent officer/s; and
- in respect of the member, the information required for an Individual.

We will need to verify the information about the association/club and may seek a certified copy of the Minutes of the Club to do this. We may also request completion of an application, in the form as required by us, detailing:

- that the opening of an account at BankVic has been authorised by the Board of the Club;
- the number of signatories required to sign any single transaction for any withdrawal or transfer of funds or to otherwise deal with corporate assets; and
- the name, residential address, date of birth and signature of each officeholder and signatory. Each will need to be verified under our AML/CTF obligations.

2.10 CESSATION OF MEMBERSHIP

You may resign from your membership, providing you have discharged all your obligations in relation to your accounts and

having put your resignation in writing. If you resign, all accounts held will be closed and the balance, plus a full refund of shares, less any outstanding amounts that may apply, will be paid to you as the former member.

A Request to Close Membership form is to be completed to enable us to credit the \$10 (shares) back to your account, before the account and membership can be closed.

We also reserve the right, in certain circumstances, to cease a membership and close any accounts, forwarding any proceeds, less applicable charges, to the former member.

Should we decide to exercise this right you will be advised in writing before actually doing so and be given at least 21 days advance notice in accordance with our Constitution.

2.11 IDENTIFICATION

2.11.1 ACCOUNT HOLDER AND SIGNATORY IDENTIFICATION

To meet international standards and to help protect business from being misused for money laundering and terrorism financing we comply with the Anti-Money Laundering and Counter Terrorism-Financing Act 2006.

Account holders or signatories, members and clients in seeking certain services will be asked to verify their identity. We may do this face-to-face at a branch, by you providing certified documents or by you undertaking an online verification process through an approved third party made available on our website.

You may be asked at various times to verify the continuing accuracy of your personal information previously supplied or to provide additional information. By doing this you are helping to protect Australian businesses from being misused for the purposes of criminal activity.

It is an offence under the Anti-Money Laundering and Counter Terrorism-Financing Act 2006 to give false and misleading information.

If incomplete or inaccurate information is provided, we may not be able to provide you with the products or services you are seeking.

2.11.2 IDENTIFICATION USING OUR SERVICES

Members instructing us, transacting on their accounts or using our other services will be identified by means of signature comparison or provision of their Telebanking password.

You can apply for a Keyword and/or Access Code that will permit you to access your account/s and other services via the telephone or for an online banking password that will permit access to their accounts via the internet.

For security reasons the member must keep their Keyword, Access Codes and account numbers in safe and separate places.

Where there is more than one signature required to complete each transaction or instruction access through your Keyword or Access Codes may not be available.

2.12 PRIVACY AND CONFIDENTIALITY

Your privacy is important to us. We will only collect, use, store and disclose your Personal Information in accordance with the requirements in our Privacy Policy and the Privacy Laws.

We will make reasonable efforts to keep any information we hold about you secure and ensure that there is no unauthorised use, modification, reproduction or disclosure of that information.

You must notify us if any of your Personal Information changes.

Our Privacy Policy contains more information about how we will treat your information and information on how you may complain about any breach of the Privacy Act 1988 (Cth), and how these complaints will be handled. You can access a copy of our Privacy Policy at www.BankVic.com.au/Privacy

3. OPERATING YOUR MEMBERSHIP AND ACCOUNTS

3.1 TAX INFORMATION

3.1 QUOTING YOUR TAX FILE NUMBER

We will ask for your tax file number when you open an account. You are not required to give your tax file number. However, under the law, if you choose not to provide your tax file number, we must deduct withholding tax on any interest you earn on the account. The Government sets the withholding tax rate and may vary it at any time.

The deduction of withholding tax will form part of your normal income tax, just as when your employer deducts tax from your salary or wages. When you fill out your tax return, including your interest earned along with your regular income, you can claim the withholding tax paid on the interest as tax already paid together with the tax your employer deducts from your salary or wages.

If you give your income tax file number, we will not deduct any withholding tax on any interest that you earn on your account. However, you will still be required to disclose any interest you earn on the account as income when you complete your tax return at the end of the financial year.

3.1.2 AUTOMATIC EXCHANGE OF INFORMATION

Australia's obligations under the Automatic Exchange of Information (AEOI) regimes include legislation designed

to give effect to the Foreign Account Tax Compliance Act (FATCA) and the Organisation for Economic Co-operation and Development's (OECD) Common Reporting Standard (CRS). As such, we may collect certain information from you, report payments made in respect of your investments and retain information to meet record keeping requirements.

It is recommended you consult with your tax advisor to discuss the impact these AEOI regimes may have on you.

3.2 SINGLE AND JOINT ACCOUNTS

The following Terms and Conditions (in addition to the Terms and Conditions applying to accounts and access services) apply to the operation of an account.

 - a. operate on any of the account(s) nominated;

 - d. negotiate any cheques in the members' names;
 - e. draw any cheques (including an instruction to stop payment on a cheque);
 - f. give instructions as to disposal of interest;
 - g. give authorities for periodical payments;
 - h. withdraw all or any moneys standing to the credit of the account;
 - i. obtain statements of the account(s) and any information concerning the account(s) generally;

 - a. any person authorised to operate the accounts(s), or
 - b. the account holder. (The authority and direction of them account holder shall prevail over that of any other person authorised to operate the account(s).)
4. The account holders shall be solely responsible to us (on a joint and several basis where a joint account) for all liability incurred on or in respect of the account, including any liability which arises from our acting in accordance with the authority held.
5. The account holder/s agree to pay all charges required by us and agree to be bound by the Constitution of BankVic.
6. The authority commences immediately and revokes any previous authorities on the account except as regards any

cheques or other instruments dated prior to the date of the authority and presented for payment after receipt by BankVic of the notice and as regards any act done by us or such persons in pursuant to the authority referred to in any such previous notice.

7. The authority shall continue until we receive written notice at the registered office of BankVic from one or more of the account holders revoking this authority.
8. The following Terms and Conditions apply to the operation of a joint account.
 - a. All monies standing to the credit of a joint account shall be owned by the joint account holders, jointly and severally, with the right of survivorship. Under a joint account we, by law, must pay any moneys standing to the credit of the account(s) to the survivor or survivors of the account holders.
 - b. The receipt of the survivor or survivors of the account holders under a joint account shall be sufficient discharge to us for any moneys standing to the credit of the account(s).
 - c. Under a joint account this authority remains in effect until direction to the contrary are given to us by all surviving account holders and supersedes any existing authority.
 - d. If an account holder dies or become bankrupt, the account holder's estate will be liable to the same extent as the account holder should they have survived. However we will normally treat all authorities for operating the joint account canceled once we know of the account holder's death (or certain conditions have been met) or of the account holder's bankruptcy.
 - e. Accounts that have an additional card-holder or authorised signatory are not joint accounts. The account holder(s) is/are solely responsible for any debts incurred by the additional persons on the account.
9. 10. Account authority should be given/changed by the completion of the Savings Account Operation form.

3.4 ACCOUNT COMBINATION OR SET OFF

If you have more than one account (including a loan, overdraft or Credit card facility) with us, in certain circumstances, we may have the right to use any credit balance in any savings account you have with us to repay any debt that you owe to us. For example we may transfer funds from one account to another if that other account is overdrawn without our authorisation or a loan, overdraft or Credit card repayment has not been made. We will give you notice promptly after exercising any right it has to combine your accounts.

3.5 AUTHORISED SIGNATORY

An account holder can appoint a third party to operate on their account/s. To do this, the account holder/s must complete an Authorised Signatory Authority. The Authority specifies what the person appointed can do. It includes their ability to deposit and withdraw funds and to give instructions as to payments.

If you wish to change or cancel the Authority, a fresh Authority must be completed.

You will be responsible for all actions undertaken by the Authorised Signatory on the account/s.

If the Authorised Signatory is to have a Visa card (additional or subsidiary card) and/or telephone or online banking access the account holder/s must apply for an additional Visa card and personal identification number, Keyword and Access Codes. You should read the T&Cs about additional or subsidiary cardholders at clause 5.13.5.

3.6 POWER OF ATTORNEY

A Power of Attorney is a legal document giving someone who is nominated by you to make decisions if you become unable to make decisions for yourself.

If you want to choose someone to make decisions for in case you lose capacity to make your own decisions, you need to make one or more enduring powers of attorney. An Enduring Power of Attorney (financial) allows you to choose someone to make financial and legal decisions for you.

If you want someone to make financial and legal decisions for you for a limited time when you are unavailable, you need to make a general power of attorney. For example, if you are travelling or working overseas and need someone to take care of your property and finances while you are away you would have to give your chosen decision maker power of attorney. A general power of attorney becomes invalid if you become unable to make your own decisions.

In providing a power of attorney document to us, if it is not the original, you will need to provide a certified copy.

For the other powers of attorney or guardianship, such as an enduring power of attorney a copy should be certified in the same way by a justice of the peace, a legal practitioner, a public notary, a financial services licensee under the Corporations Act 2001 or a regulated principal under the Corporations Act.

You may revoke this authority at any time by providing us written notice.

3.7 ACCOUNT CLOSING

We must close your account/s on request as long as you have discharged all your obligations in relation to the account/s.

Closing of accounts can be done by the account holder(s) in person, by mail, by completing a withdrawal form or other advice in writing, or by calling us on 13 63 73 if the account operation permits and the account holder has quoted their Keyword.

If closing an account with Visa card attached where the account holder(s) and/or their authority to operate is a cardholder(s), the cardholder(s) must surrender all Visa cards attached to the account. A 45-day waiting period applies to allow for any Visa card transactions to be received.

Upon closing the account you will be required to pay any amounts owing to BankVic and any credit balance will be refunded to you.

We also reserve the right, in certain circumstances, to close an account and forward any proceeds, less applicable charges, to the account holder.

Should we decide to exercise this right we will advise the account holder in writing 14 days before actually closing the account, however exceptional circumstances such as fraud or a court order can see this time frame reduced.

The cheque is crossed "Not Negotiable Bank Account Payee Only" which means that it can only be paid to the credit of the payee's account. Security features have been built into the cheque to reduce the potential of fraud, e.g. special watermark.

You may also need to give BankVic an indemnity – the indemnity protects us if someone else claims that we wrongfully stopped the cheque.

Normal clearance days for cheques are:

- our cheques – cleared immediately.

Processing of transactions

If you instruct us to make a payment, including transfers between your accounts, to other accounts and to accounts at another financial institution, before 2pm on a Banking Business Day (any day on which banks in Sydney and

Melbourne are able to effect settlement through the Reserve Bank of Australia), it will in most cases be treated as having been made on the same day.

However, the payment may take longer to be credited to another party if you instruct us to make a payment on a Saturday, Sunday or a public holiday or if a participant in the BPAY Scheme does not process a payment as soon as they receive its details.

We may assign any date we consider appropriate to a debit or credit you carry out. We may subsequently adjust debits and credits to accurately reflect the legal obligations of you and us.

If we do this, we may make consequential changes (including interest charges).

Incorrect information may result in funds being credited to the account of an unintended recipient of the BSB number and/or identifier do not belong to the named recipient, and loss of funds should they not reach the intended recipient. It may not be possible to recover your funds from an unintended recipient.

We will not be liable for any delays or errors by or for the failure of other parties to accept or acknowledge receipt

of, funds which you or an authorised user have instructed us to pay to or via that party or for delays in advising you or crediting you if a transfer or payment instruction is not successfully processed by another party.

- e. When you use our online banking service, you agree that:

- > you are giving us instructions; and

available to us to reverse or correct such transactions, you shall not be entitled to dispute your liability to us for the amounts of such transactions as disclosed in your statement of account.  - left your telephone device unattended;
 - have contributed to the unauthorised use by failing to immediately notify us of the unauthorised use of the password;

you will be liable for the actual losses that occur between the time you became aware of the security compromise or should reasonably have become aware in the case of a lost or stolen code or device and the time you advised us of the security compromise or loss of the code or device, but you will not be liable for any losses which:

1. exceed the balance plus any credit limit on the accounts you have access to using or for any portion of the losses incurred in any period that exceeds any applicable periodic transaction limit, including any applicable daily transaction limit.
- e. We are not responsible for the operation of any secure computer equipment, including mobile telephone devices, or electronic system (other than our telephone communication systems) you use to transact using the internet.
- f. Nothing in these Terms and Conditions shall operate so as to exclude, restrict or modify the application of any of the provisions of the Competition and Consumer Act 2010, the Australian Securities and Investment Commission Act 2001 or equivalent state or territory legislation.

7. Changes to Conditions of Use

We reserve the right to change these Conditions of Use. We will provide at least 20 days advance written notice of the following changes to Terms and Conditions:

- a. imposing or increasing fees or charges for issuing or replacing a password,
- b. imposing or increasing fees or charges for performing

transactions,

- c. increasing a holder's liability for losses relating to transactions, or
- d. imposing, removing or changing a daily or other periodic limit on:
 - i. transactions,
 - ii. a facility, or
 - iii. electronic equipment (for example, limits on the number or value of ATM withdrawals).

If we remove or increase a transaction limit, we will provide a clear and prominent notice as this may increase your liability in the case of unauthorised transactions.

We may notify you of changes either through:

- a direct letter or other direct communication to your last known address;
- notification by electronic means;
- announcement via our newsletter or website;
- notices on, or sent with account statements;
- notices on Electronic Banking Terminals or in branches; or
- press advertisements.

In addition, in the last two cases, we will also give you written advice of the changes at the time of your next account statement.

If a written notice is delivered to you personally the date of delivery is the date you receive the notice.

Advance notice will not be given of a variation that is required by an immediate need for us to restore or maintain the security of our systems or accounts.

8. Dispute resolution

We have established an internal procedure to resolve any disputes a member, account holder or authority to operate may have with us, including any unauthorised transactions, online banking or BPAY Payment dispute. We also have access to an external and impartial system to enable a member, account holder or authority to operate to resolve any such dispute that cannot be satisfactorily dealt with by our internal procedures. A copy of our Complaints Dispute Resolution Guide which details our procedures, is available on our website bankvic.com.au, from any branch or by calling us on 13 63 73.

9. Industry Codes of Practice

We warrant that we will comply with the requirements of the ePayments Code as established by the Australian Securities and Investments Commission.

5.13.3 PAYER TERMS - BPAY SCHEME TERMS

Part A

1. Payments

- 1.1 We will not accept an order to stop a BPAY Payment once you have instructed us to make that BPAY Payment.
- 1.2 You should notify us immediately if you become aware that you may have made a mistake (except when you make an underpayment - for those errors see clause 1.6 below) when instructing us to make a BPAY Payment, or if you did not authorise a BPAY Payment that has been made from your account. Clause 2 describes when and how we will arrange for such a BPAY Payment (other than in relation to an underpayment) to be refunded to you.
- 1.3 Subject to clause 12 - Cut off Times, Billers who participate in the BPAY Scheme have agreed that a BPAY Payment you make will be treated as received by the Biller to whom it is directed:
- on the date you make that BPAY Payment, if you tell us to make the BPAY Payment before our Payment Cut Off Time on a Banking Business Day; or
 - on the next Banking Business Day, if you tell us to make a BPAY Payment after our Payment Cut Off Time on a Banking Business Day, or on a non Banking Business Day.
- 1.4 A delay may occur in processing a BPAY Payment where:
- there is a public or bank holiday on the day after you tell us to make a BPAY Payment;
 - you tell us to make a BPAY Payment either on a day which is not a Banking Business Day or after the Payment Cut off Time on a Banking Business Day;
 - another financial institution participating in the BPAY Scheme does not comply with its obligations under the BPAY Scheme; or
 - a Biller fails to comply with its obligations under the BPAY Scheme.
- 1.5 While it is expected that any delay in processing under this agreement for any reason set out in clause 1.4 will not continue for more than one Banking Business Day, any such delay may continue for a longer period.
- 1.6 You must be careful to ensure that you tell us the correct amount you wish to pay. If you instruct us to make a BPAY Payment and you later discover that the amount you told us to pay was less than the amount you needed to pay, you can make another BPAY Payment for the difference between the amount actually paid to a Biller and the amount you needed to pay.

2. Liability

ePayments Code

- 2.1 If under this clause 2 you are liable for an unauthorised or fraudulent payment or as a result of a BPAY View billing error

and the ePayments Code (the Code) applies, then your liability is limited to the lesser of:

- a. the amount of **that** unauthorised or fraudulent payment; and
- b. the limit (if any) of your liability set out in our Terms and Conditions for the applicable product or service which is documented in our General Information, Terms and Conditions booklet.

If (b) applies, we will be liable to you for the difference between the amount for which you are liable and the amount of the unauthorised or fraudulent payment.

Mistaken payments, unauthorised transactions and fraud

2.2 We will attempt to make sure that your BPAY Payments are processed promptly by the participants in the BPAY Scheme, including those Billers to whom your BPAY Payments are to be made. You must promptly tell us if:

- you become aware of any delays or mistakes in processing your BPAY Payments
- if you did not authorise a BPAY Payment that has been made from your account, or
- if you think that you have been fraudulently induced to make a BPAY Payment.

We will attempt to rectify any such matters in relation to your BPAY Payments in the way described in this clause. However, except as set out in this clause 2 and clause 15, we will not be liable for any loss or damage you suffer as a result of using the BPAY Scheme.

The longer the delay between when you tell us of the error and the date of your BPAY payment, the more difficult it may be to perform the error correction. For example, we or your Biller may not have sufficient records or information available to us to investigate the error. If this is the case, you may need to demonstrate that an error has occurred, based on your own records, or liaise directly with the Biller to correct the error.

Mistaken payments

2.3 If a BPAY Payment is made to a person or for an amount, which is not in accordance with your instructions (if any), and your account was debited for the amount of that payment, we will credit that amount to your account. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount of that payment from the person who received it within 20 Banking Business Days of us attempting to do so, you must pay us that amount.

Unauthorised payments

2.4 If a BPAY Payment is made in accordance with a payment direction, which appeared to us to be from you or on your behalf but for which you did not give authority, we will credit your account with the amount of that unauthorised payment. However, you must pay us the amount of that

unauthorised payment if:

- a. we can not recover within 20 Banking Business Days of us attempting to do so that amount from the person who received it, and
- b. the payment was made as a result of a payment direction, which did not comply with our prescribed security procedures for such payment directions.

If we are able to recover part of the amount of that payment from the person who received it, you must only pay us the amount of that payment that we are not able to recover.

Fraudulent payments

2.5 If a BPAY Payment is induced by the fraud of a person involved in the BPAY Scheme, then that person should refund you the amount of the fraud-induced payment. However, if that person does not refund you the whole amount of the fraud-induced payment, you must bear the loss unless some other person involved in the BPAY Scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced payment that is not refunded to you by the person that induced the fraud.

Resolution principles

2.6 If a BPAY Payment you have made falls within the type described in clause 2.4 and also clause 2.3 or 2.5, then we will apply the principles stated in clause 2.4.

If a BPAY Payment you have made falls within both the types described in clauses 2.3 and 2.5, then we will apply the principles stated in clause 2.5.

Indemnity

2.7 You indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you:

- a. did not observe any of your obligations under these Terms and Conditions; or
- b. acted negligently or fraudulently in connection with this agreement.

Biller consent

2.8 If you tell us that a BPAY Payment made from your account is unauthorised, you must first give us your written consent addressed to the Biller who received that BPAY Payment, consenting to us obtaining from the Biller information about your account with that Biller or the BPAY Payment, including your customer reference number and such information as we reasonably require to investigate the BPAY Payment. If you do not give us that consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY Payment.

2.9 BPAY View billing errors

2.9.1 For the purposes of this clause 2.9, a BPAY View billing

error means any of the following:

- if you have successfully registered with BPAY View:
 - failure to give you a bill (other than because you failed to view an available bill);
 - failure to give you a bill on time (other than because you failed to view an available bill on time);
 - giving a bill to the wrong person;
 - giving a bill with incorrect details
- if your BPAY View deregistration has failed for any reason:
 - give you a bill if you have unsuccessfully attempted to deregister.

2.9.2. You agree that if a billing error occurs:

- a. you must immediately upon becoming aware of the billing error take all reasonable steps to minimise any loss or damage caused by the billing error, including contacting the applicable Biller and obtaining a correct copy of the bill; and
- b. the party who caused the error is responsible for correcting it and paying any charges or interest which would ordinarily be payable to the applicable Biller due to any consequential late payment and as a result of the billing error.

2.9.3 You agree that for the purposes of this clause you are responsible for a billing error if the billing error occurs as a result of an act or omission by you or the malfunction, failure or incompatibility of computer equipment you are using at any time to participate in BPAY View.

3. Batch Entry Payments

Batch Entry is a method of making BPAY payments to one or more billers by compiling and transmitting a computer file to us, which contains payer directions.

3.1 You may make your BPAY Payments with us by a Batch Entry payment method if we agree that you may do so. A Batch Entry method is only available to a payer making BPAY Payments on its own behalf or a payer that in the ordinary course of its business makes multiple BPAY Payments on its own behalf or on behalf of its related entities to discharge its debts, or the debts of its related entities to one or more Billers.

3.2 You may only make a Batch Entry payment with us by debiting your Credit card account or Debit card account held with us (as the case may be).

3.3 If you use a Batch Entry payment method you warrant to us that you make such a BPAY Payment:

- a. on your own account as payer and not for the benefit of any other person (including an individual, a body corporate, a firm, an unincorporated association or an authority) or as a payer that in the ordinary course of

its business makes multiple BPAY Payments on its own behalf or on behalf of its related entities to discharge its debts, or the debts of its related entities to one or more Billers; and

- b. not to carry on a business of making payments through the BPAY Scheme using Batch Entry payment methods.

3.4 If you use a Batch Entry payment method you agree to notify us in writing of any non-compliance by you with a term of this agreement in connection with making a Batch Entry payment as soon as practicable after you become aware of the non-compliance.

3.5 All other Terms and Conditions set out in these Payer Terms apply to Batch Entry payments.

Part B

4. BPAY Scheme

4.1 We are a member of the BPAY Scheme. The BPAY Scheme is:

- an electronic payments scheme through which you can ask us to make payments on your behalf to organisations (Billers) who tell you that you can make payments to them through the BPAY Scheme (BPAY payments); and
- a scheme through which you can receive or access bills or statements electronically (BPAY View) from participating billers nominated by you by:
 - i. opening an email sent to you whenever a bill or statement is received by us with a link to our Website; or
 - ii. accessing our website,

and may choose to pay them electronically using online or telephone banking or any other payment method accepted by the Biller.

We will tell you if we are no longer a Member of the BPAY Scheme. For the purposes of the BPAY Scheme, we may also be a Biller and you may nominate us as a Biller for the purposes of your use of BPAY View.

4.2 When you tell us to make a BPAY Payment, you must give us the information specified in clause 7 below. We will then debit your account (the account you specify) with the amount of that BPAY Payment.

5. How to use the BPAY Scheme

5.1 BPAY Payments can be made from At-Call Transaction and Savings accounts for which you are an account holder or an authority to operate and in accordance with directions for the account operation given by the account holder/s and held by us.

5.2 To use the BPAY Scheme you must access either:

- our online banking services by visiting the website bankvic.com.au or downloading the BankVic App and following the prompts; or
- Automated Telephone Banking Service by calling 13 63 73 and pressing 1 for Telephone Banking and BPAY

services and follow the prompts. You must await the receipt number for your record.

5.3 You must comply with the Terms and Conditions applying to the account to which you request us to debit a BPAY Payment, to the extent that those account terms are not inconsistent with or expressly overridden by the BPAY Terms and Conditions. The BPAY Terms set out below are in addition to those terms.

If there is any inconsistency between the Terms and Conditions applying to the account and the BPAY Terms and Conditions, the BPAY Terms and Conditions will apply to the extent of that inconsistency.

5.4 When you use a Credit card to pay a bill through the BPAY Scheme, we treat that payment as a Credit card purchase transaction.

5.5 The Payer acknowledges that the receipt by a Biller of a mistaken or erroneous payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between the Payer and that Biller.

6. Valid payment direction

We will treat your instruction to make a BPAY Payment as valid if, when you give it to us you comply with the following security procedure:

You have applied and are registered as an online or Telephone Banking user. You understand that when entering the online banking services including both mobile banking and the BankVic App or phoning the Telephone Banking Service and by entering your Access Code, you will have access to certain information relating to the balances and transactions already posted to your accounts and have the ability to transfer funds within your accounts and to give instructions to make a BPAY Payment under the BPAY Scheme.

You understand that you are responsible for the use and security of your Access Code at all times and that you are liable for any losses that you may suffer arising from any failure by yourself to properly secure your Access Code.

You have also agreed to be bound by our rules regarding the use of these services.

7. Information you must give us

Once you have accessed the online banking or Telephone Banking you should follow the prompts to provide the information you must give us to instruct us to make a BPAY Payment.

You acknowledge that we are not obliged to effect a BPAY Payment if you do not give us all of the above information or if any of the information you give us is inaccurate.

8. Payment queries

We have established an internal procedure to resolve any

disputes a member, account holder or authority to operate may have with us, including any BPAY Payment or Scheme dispute. You also have access to an external and impartial system to enable resolution of any BPAY Payment or Scheme dispute that cannot be satisfactorily dealt with by our internal procedures.

For this purpose, we are a member of the Australian Financial Complaints Authority (AFCA). You can contact AFCA on 1800 931 678 (free call), info@afca.org.au or GPO Box 3, Melbourne, Victoria 3001. You will find more information about AFCA on their website is www.afca.org.au.

Details of this external system and our internal dispute resolution procedures are detailed in our Complaints and Dispute Resolution Guide, available from our website and upon request.

9. BPAY View

9.1 You need to register in order to use BPAY View. Call 13 63 73 to find out how or register online by visiting our website bankvic.com.au

9.2 If you register with BPAY View, you:

- a. agree to our disclosing to Billers nominated by you:
 - i. such of your personal information (for example your name, email address and the fact that you are our customer) as is necessary to enable Billers to verify that you can receive bills and statements electronically using BPAY View (or telling them if you cease to do so); and
 - ii. that an event in clause 9.3 (b), (c), (d), (e) or (f) has occurred;
- b. agree to us or a Biller (as appropriate) collecting data about whether you access your emails, our Website and any link to a bill or statement;
- c. state that, where you register to receive a bill or statement electronically through BPAY View, you are entitled to receive that bill or statement from the applicable Biller; and
- d. agree to receive bills and statements electronically and agree that this satisfies the legal obligations (if any) of a Biller to give you bills and statements. For the purposes of this clause we are the agent for each Biller nominated by you under (a) above.

9.3 You may receive paper bills and statements from a Biller instead of electronic bills and statements:

- a. at your request to a Biller (a fee may be charged by the applicable Biller for supplying the paper bill or statement to you if you ask for this in addition to an electronic form);
- b. if you or a Biller de-register from BPAY View;
- c. if we receive notification that your email mailbox is full, so that you cannot receive any email notification of a bill or statement;

- d. if your email address is incorrect or cannot be found and your email is returned to us undelivered;
- e. if we are aware that you are unable to access your email or our website or a link to a bill or statement for any reason;
- f. if any function necessary to facilitate BPAY View malfunctions or is not available for any reason for longer than the period specified by the applicable Biller.

9.4 You agree that when using BPAY View:

- a. if you receive an email notifying you that you have a bill or statement, then that bill or statement is received by you:
 - i. when we receive confirmation that your server has received the email notification, whether or not you choose to access your email; and
 - ii. at the email address nominated by you;
- b. if you receive notification on our website without an email then that bill or statement is received by you:
 - i. when a notification is posted on our website, whether or not you choose to access our website; and
 - ii. at our website;
- c. bills and statements delivered to you remain accessible through our website for the period determined by the Biller up to a maximum of 18 months, after which they will be deleted, whether paid or not;
- d. you will contact the Biller direct if you have any queries in relation to bills or statements.

9.5. You must:

- a. check your emails or our website at least weekly;
- b. tell us if your contact details (including email address) change;
- c. tell us if you are unable to access your email or our Website or a link to a bill or statement for any reason; and
- d. ensure your mailbox can receive email notifications (eg it has sufficient storage space available).

10. Changes to terms

10.1 We can change these terms at any time.

10.2 We will tell you about any changes by:

- when in relation to the BPAY Scheme, we intend to introduce a fee or charge, we will provide written notice of each change to each affected member or account holder;
- we will notify affected members and account holders of variations to the BPAY Terms and Conditions of the BPAY Scheme by advertisement in the national or local media, through a notice in the newsletter, via our website or an account statement or by way of a letter other direct written notice to affected members and

account holders or notification by electronic means; and

- unless otherwise agreed, we may give written notice to a member or account holder at their mailing address that was last recorded with us. We require a member and account holder to notify it promptly of a change to their name and address.

11. Suspension

11.1 We may suspend your right to participate in the BPAY Scheme at any time.

11.2 The circumstances in which we may suspend your right to participate are:

- a. If the account holder has ceased to be a member of BankVic under Division 5 of our constitution; or
- b. If Payer or someone acting on their behalf is suspected of being fraudulent.

12. Cut-off times

If you tell us to make a payment before the time specified in the box below, it will in most cases be treated as having been made on the same day.

Cut-off times: 3pm on a Business Banking Day

However, the payment may take longer to be credited to a Biller if you tell us to make a Payment on a Saturday, Sunday or a public holiday or if another participant in the BPAY Scheme does not process a Payment as soon as they receive its details.

13. When a Biller cannot process a payment

If we are advised that your payment cannot be processed by a Biller, we will:

- a. advise you of this;
- b. credit your account with the amount of the BPAY Payment; and
- c. take all reasonable steps to assist you in making the BPAY Payment as quickly as possible.

14. Account records

You should check your account records carefully and promptly report to us as soon as you become aware of them any BPAY Payments that you think are errors or are BPAY Payments that you did not authorise or you think were made by someone else without your permission.

15. Consequential damage

This clause does not apply to the extent that it is inconsistent with or contrary to any applicable law. If those laws or that code would make this clause illegal, void or unenforceable or impose an obligation or liability which is prohibited by those laws, this clause is to be read as if it were varied to the extent necessary to comply with those laws or, if necessary, omitted.

We are not liable for any consequential loss or damage you suffer as a result of using the BPAY Scheme, other than due to any loss or damage you suffer due to our negligence or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.

16. Privacy

16.1 In addition to clause 9.2, if you register to use the BPAY Scheme, you:

- a. agree to our disclosing to Billers nominated by you and if necessary the entity operating the BPAY Scheme (BPAY Pty Ltd) or any other participant in the BPAY Scheme and any agent appointed by any of them from time to time, including Cardlink Services Limited, that provides the electronic systems needed to implement the BPAY Scheme:
 - i. such of your personal information (for example your name, email address and the fact that you are our customer) as is necessary to facilitate your registration for or use of the BPAY Scheme;
 - ii. such of your transactional information as is necessary to process your BPAY Payments and your use of BPAY View. Your BPAY Payments information will be disclosed by BPAY Pty Ltd, through its agent, to the Biller's financial institution and your information necessary to process your use of BPAY View will be disclosed by BPAY Pty Ltd, through its agent, to the Biller; and

iii. that an event in clause 9.3 (b), (c), (d), (e) or (f) has occurred.

16.2 You must notify us, if any of your personal information changes and you consent to us disclosing your updated personal information to all other participants in the BPAY Scheme referred to in clause 16.1, as necessary.

16.3 You can request access to your information held by us, BPAY Pty Ltd or its agent, Cardlink Services Limited at their contact details listed in the Definitions clause 17.

- c. We will automatically close your PayID if the nominated account is closed.

4.6 Joint accounts

- a. If you select a jointly held account as your nominated account for your PayID, we will accept such registration even if the joint account requires the instruction of all account holders to process transactions. You indemnify us for any losses we may incur in acting upon your instructions.
- b. When you direct an Osko Payment to a PayID connected to a joint account, other account holders may be able to see the messages and notifications associated with the Payment. Similarly, depending on the settings you choose for your PayID, other account holders on your account may be able to see messages and notifications associated with Payments addressed to your PayID.

4.7 Retaining information

In order to better provide you with Payments under Osko, we may retain certain information relating to PayIDs you use. For example we may retain information relating to PayIDs you provide us in order to facilitate scheduled payments. Clause 6 has more information on how we collect, use, handle and store Personal Information such as PayIDs.

5 Payment Directions

- a. You must give us the information specified in clause 6 below when you send us a Payment Direction. We will then debit your account with the amount of that Osko Payment on the date requested.
- b. Subject to applicable laws, including where applicable the ePayments Code, we will treat your instruction to make an Osko Payment as valid:
 - i. if you provide us with the following information:
 - a. the amount of the Osko Payment; and
 - b. if you elect:

- not to use PayID, the details of the Payee’s account(s) to be credited with the amount of the Osko Payment; or
 - if you elect to use PayID, the Payee’s PayID; and
 - ii. when you give such information to us you comply with the security procedures specified in clause 10.
- c. When initiating a Transaction, you might direct the Transaction to an incorrect account if you get a PayID wrong. To try to avoid this, we will ask you to verify that you have the right PayID. We will do this by presenting you with the associated PayID Name as an additional confirmation of the intended recipient before you submit a Transaction.
- d. You should ensure that all information you provide in relation to an Osko Payment is correct as we will not be able to cancel an Osko Payment once it has been processed.
- e. If the PayID you have entered does not accept Osko Payments, we may send the payment in near real-time but the timing of making the funds available to the Payee will be at the discretion of the receiving financial institution.

6. Information you must give us to make an Osko Payment

- a. The information you must give us to instruct us to make an Osko Payment is:
 - i. The Payee’s PayID or in the alternative, their BSB and account number;
 - ii. The amount of funds you wish to transfer to the Payee in Australian dollars;
 - iii. The date you require the Osko Payment to take place.
- b. You acknowledge that we are not obliged to effect an Osko Payment if you do not give us all of the above information or if any of the information you give us is inaccurate.

7. How Payment works

- a. We may attempt to effect a Payment at any time on the date you specify in clause 7(a)(iii). You should ensure you have sufficient funds in your nominated account throughout the day for the withdrawal. We may decline to process the Payment if, at the time we attempt to effect the Payment, you do not have sufficient funds in your account.
- b. On the scheduled payment day, before we attempt to effect the Payment, we will check the PayID service to confirm whether the Payee’s PayID is still registered and whether there has been a change in the name attached to the PayID since the time you gave us instructions to make the Payment. We cannot process a Payment if the PayID is no longer registered or if the name attached to a PayID has changed.
- c. You should check your account at the end of the day to ensure that scheduled Payments have gone through.

8. Mistaken internet payment and misdirected Payments

- a. Where we and the sending financial institution determine that a Payment made to your account has been made in error, we may, without your consent or prior notice, and

subject to complying with any other applicable Terms and Conditions, make an Adjustment to your account of an amount equal to that payment made in error. We will not be liable to reimburse you for the Adjustment made to your account and any associated costs you may incur as a result of this.

- b. A Payment made in error includes, but is not limited to, a fraudulent payment, an overpayment, duplicate payment, payment in error made by us or a misdirected payment.

9. Investigations and liability for unrecoverable funds

- a. We have obligations in relation to investigating and recovering mistaken Payments and also to comply with the ePayments Code.
- b. Members should note their liability in relation to funds that cannot be recovered, as set out in clause 8 above.
- c. There are circumstances where if you make a Payment in error, funds may be paid into the account of an unintended recipient. This may occur because you entered or selected a BSB number or other identifier that does not belong to the intended recipient.
- d. Where this occurs, you must advise us as soon as possible or as soon as you become aware of the error, by phoning 13 63 73. We will investigate and liaise with the unintended recipient's financial institution. We will endeavour to ensure that the receiving financial institution complies with the ePayments Code in investigating and endeavour to return the funds to you. In the event we are unsuccessful in recovering funds on your behalf, we bear no liability for any loss you may incur.
- e. If you are not satisfied we or the receiving financial institution has complied with the ePayments Code you have the right to complain to us. Please refer to subsection 9 of our General Information Terms and Conditions (Dispute Resolution).

10. Security

- a. Any losses resulting from unauthorised Payments will be determined by the ePayments Code, rather than our General Information, Terms and Conditions. To the extent of any inconsistency, the ePayments Code will prevail.
- b. You must take note of the following when considering the security of your access facilities:
 - i. The security of your cards, PIN, Access Code and passwords is very important because they give unrestricted access to your account. You must make every effort to protect your cards, PINs, secret codes or passwords from theft, loss or unauthorised use, to help to prevent fraudulent or unauthorised use.
 - ii. You must not disclose your PIN, Access Code or password to anyone (this includes family members or friends) or expose yourself to them being obtained.

- c. You must not select a PIN, Access Code or password that is easily identifiable (for example a group of repeated numbers, represents your birth date, a recognisable part of your name, that is easily identified with you such as an alphabetical code which is a recognisable part of your name or your car registration). If you do, you may be liable for any losses which occur as a result.
- d. You must not record your PIN, Access Code or password with any access facilities or keep a record of your PIN, Access Code or password on anything which is kept with or near any access facilities that may be lost or stolen simultaneously.
- e. You must not act with extreme carelessness in failing to protect the security of your PIN, Access Code, secret codes or passwords. Extreme carelessness means a degree of carelessness that greatly exceeds what would normally be considered careless behaviour, such as keeping a record of your PIN, Access Code, secret codes or passwords in your wallet or purse.

- b. If you believe there has been a mistake or a Payment that you did not authorise, you must immediately contact us by calling 13 63 73. Any concerns will be investigated in the same manner as our complaints procedures.
- c. We have established an internal procedure to resolve any disputes a member, account holder or authority to operate may have with us, including any unauthorised transaction or mistaken Payment. We also have access to an external and impartial system to enable a member, account holder or authority to operate to resolve any such dispute that cannot be satisfactorily dealt with by our internal procedures. A copy of our Complaints Dispute Resolution Guide is available on our website bankvic.com.au, from any branch or by calling 13 63 73.

The first time that you activate your Visa card (if required by us) or the first time that you use your Visa card (whichever comes first) constitutes your agreement to the conditions set out in these Conditions of Use.

If you do not agree with the terms of these Conditions of Use, do not:

- activate your Visa card (if activation is required by us) or use it (or allow anyone else to use or activate your Visa card); or
- permit an Additional Cardholder to use their Visa card.

Instead, cut in half for your protection all Visa cards, including

cutting in half any chip on your Visa card.

2. Application Of Codes

We warrant that we will comply with the requirements of the ePayments Code (**the Code**) as established or replaced from time to time by the Australian Securities and Investments Commission (ASIC). You can find a copy of the Code on ASIC's website (www.asic.gov.au).

Free Call - 1800 621 199

If you contact the Visa card 24hr Emergency Hotline:

- you will be given a reference number which you should retain as evidence of the date and time of your report; and
- you should advise us, as soon as you can, that you have made a report to the Visa card 24hr Emergency Hotline.

If for any reason any of the above methods of notification is unavailable, any losses occurring due to non-notification will be our liability. To avoid further losses you are required to continue to try to provide notification of your lost or stolen Visa card by using one of the methods referred to above. Providing you continue to try and use reasonable endeavours having regard to your own individual circumstances to notify us or the Visa card 24 hour Emergency Hotline, we will continue to be liable for any loss occurring as a result of further unauthorised use of your Visa card.

If your Visa card is reported as lost or stolen, we will issue to you a replacement Visa card. You must give us a reasonable time to arrange cancellation and the issue of a replacement Visa card.

If the loss, theft or misuse occurs **OUTSIDE AUSTRALIA** you must notify a financial institution displaying the Visa logo and you must also then confirm the loss, theft or misuse of your Visa card with us by telephone or priority paid mail as soon as possible.

Alternately if outside of Australia please call Visa Global Customer Assistance using Visa's worldwide network of toll-free telephone

numbers available on our and Visa's websites (www.visa.com.au). Before you leave on a trip, make a note of the toll-free emergency number for your destination and keep it with you, but separate from your card.

5. Using Your Visa card

Your Visa card is generally accepted anywhere the Visa logo is displayed in Australia or overseas. We will advise you:

- what transactions your Visa card will enable you to perform at an Electronic Banking Terminal;
- which Electronic Banking Terminal networks you may use; and
- what mail, online or telephone transactions you may carry out with your Visa card by quoting your Visa card number.

Your Visa card may be used for these types of EFT Transactions:

- cash withdrawals at most ATMs throughout Australia;
- cash withdrawals at ATMs internationally displaying the "Visa" logo;
- paying merchants and withdrawing cash from merchants who offer EFTPOS facilities in Australia; and
- online transactions performed using a card number and expiry date

You may set up a regular payment arrangement authorising an organisation or business to regularly debit your card account using your card details.

This is an agreement between you (the cardholder) and the organisation. When you receive a new card, you should advise those organisations of your new card expiry date and if the card was lost or stolen, the new card number. Until you notify the organisation of the new details, they will continue to use the former details and future transactions may be declined.

You may only use your Visa card to perform transactions on your Linked Account.

If your Visa card is payWave enabled, then it may be possible for your Visa card to be used to pay for transactions that are under \$100.00 by using the Visa payWave functionality at Visa payWave participating merchants. Before authorising a Visa payWave transaction by waving your Visa card over the merchant's enabled Visa payWave terminal, you must check that the correct amount is displayed on the Visa payWave terminal. If your transaction exceeds \$100.00, you will be required to either sign or enter your PIN.

Your Visa card will be registered with Visa Secure. Visa Secure is a program designed to authenticate online transactions. This means that when you use your Visa card online to make a purchase at a Visa Secure Participating Merchant, your identity may need to be validated if the relevant transaction is deemed

TERMS & CONDITIONS

to be high risk. In certain circumstances, if your transaction is deemed to be very high risk, the transaction will be declined. If you are unable to validate your identity, your Visa card may be suspended. For assistance in these circumstances or to learn how your Visa card may be unsuspending, please contact us during our normal business hours (refer to our website www.bankvic.com.au for details of our business hours).

We do not warrant or accept any responsibility if an Electronic Banking Terminal does not accept your Visa card. You should always check with the relevant merchant that it will accept your Visa card before purchasing any goods or services.

You must not use your Visa card for any unlawful purpose, including the purchase of goods or services prohibited by the laws of Australia and/or the laws of the location where the Visa card is used or where the goods or services are provided. Should your Visa card be used for unlawful purposes, we may restrict you from accessing any available funds from your Linked Account.

It is an offence under Australian law to conduct transactions on an account which may lead to an actual or attempted evasion of a taxation law, or an offence under any other Commonwealth or Territory law. Where we have reasonable grounds to suspect that such transaction(s) have occurred on your Linked Account, we are obliged to report such suspicion to the Australian Transaction Reports and Analysis Centre. Should your Visa card be used for unlawful purposes, we may restrict you from accessing any available funds from your Linked Account.

To facilitate the processing of transaction information, your Visa card details and transaction details may be processed by Visa in countries other than Australia. By using your Visa card, you agree that information regarding any transactions may be processed outside of Australia.

In the first instance, we will debit your Linked Account (which will reduce the balance of your Linked Account) with the value of all transactions carried out:

- by using your Visa card at an Electronic Banking Terminal;
- by using your Visa card number (for example, using your Visa card number to conduct a telephone or online transaction);
- or
- when your Visa card is presented to a merchant (or someone else on behalf of a merchant) in a way acceptable to us.

Fraudulent transactions can arise from use of your Visa card or Visa card number. Where you advise us that a transaction that has been debited (deducted) from your Linked Account is fraudulent, unauthorised or disputed, we will investigate and review that transaction in accordance with section 16 of these Conditions of Use.

We will also credit your Linked Account (which will increase the balance of your Linked Account) with the value of all deposit transactions processed at Electronic Banking Terminals.

We are not responsible in the event that you have a dispute

regarding the goods or services purchased using your Visa card. In the first instance, you should contact the merchant directly. If you cannot resolve the dispute with the merchant, we have the ability in certain circumstances to investigate disputed transactions on your behalf (refer to section 16 below for a list of circumstances when we can investigate disputed transactions) and attempt to obtain a refund for you.

If the Linked Account is in the name of more than one person (referred to as a joint account), then you and the joint account holder will be jointly and severally liable (in the first instance) for all transactions carried out by using yours or the joint account holder's Visa card or Visa card number.

This means that:

- your joint account holder will be liable to us (in the first instance) for all transactions that are carried out by use of your Visa card or Visa card number; and
- if applicable, you will be liable to us (in the first instance) for all transactions that are carried out by use of the joint account holder's Visa card or Visa card number.

6. Using Your Visa card Outside Australia

All transactions conducted overseas will be converted into Australian dollars. Transactions will either be converted directly into Australian dollars or will be first converted from the currency in which the transaction was made into US dollars and then converted to Australian dollars by Visa. The conversion rate used is either:

- a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable processing date, which may vary from the rate Visa receives; or
- the government-mandated rate in effect for the applicable processing date.

A currency conversion fee may be payable by you when you make a transaction on your Visa card in a currency other than Australian dollars, or you make a transaction on your Visa card in any currency (including AUD) that is processed by a card scheme or billed by the merchant outside of Australia. You will be advised by us whether a currency conversion fee applies and the amount of this fee at the time you apply for your Visa card.

7. Transaction Limits

You agree that you will **NOT** use your Visa card to:

- overdraw the balance in your Linked Account; or
- exceed the unused portion of any credit limit provided by us under any pre-arranged credit facility.

We:

- may set temporary or permanent limits on the minimum and maximum amounts that you may withdraw from your Linked Account on any one day through the Electronic Banking Terminal; and
- will advise you of any daily transaction limits that apply at the

time of your application of your Visa card.

Where we impose a temporary minimum or maximum limit, we will use reasonable endeavours to notify you that we have imposed a temporary transaction limit. A temporary maximum transaction limit will usually be imposed in circumstances where transactions appear to be suspicious or fraudulent. Where we impose a new permanent minimum or maximum transaction limit, we will inform you of this change in accordance with the requirements set out in section 21 of these Conditions of Use.

Merchants offering EFTPOS facilities have the right to impose conditions on the use of such facilities. This can include imposing their own transaction limits or restrictions on the amount of cash or value that you may obtain using your Visa card.

8. Authorisations And Processing Of Transactions

Certain transactions that you make using your Visa card may need to be authorised by us before they can proceed. In these circumstances, prior to the transaction being completed, the relevant merchant's financial institution will obtain authorisation from us for the transaction to be processed. Once authorisation is obtained, it will reduce the amount of available funds in your Linked Account. If circumstances occur where authorisation is obtained by us but the relevant transaction is not completed, your available funds in your Linked Account may be reduced for a period of time.

Transactions will not necessarily be processed to your Linked Account on the same day they occur. The date that you conduct the transaction is referred to as the transaction date. Some transactions will be processed after the transaction date. This is usually due to the relevant merchant's financial institution not processing the relevant transaction on the transaction date.

We have the right to refuse authorisation for you to effect a transaction if:

- we have restricted access to your Linked Account in accordance with section 12 of these Conditions of Use;
- in accordance with section 25 of these Conditions of Use, we believe on reasonable grounds that the transaction is fraudulent or suspicious; or
- the transaction will result in you overdrawing your balance in your Linked Account.

9. Deposits

We do not offer the facility to make a deposit at an Electronic Banking Terminal.

10. Additional Cards

We may allow you to apply to us and request that an additional Visa card be given to your nominee (referred to as an Additional Cardholder). We are not obliged to grant any additional Visa cards. We are required to comply with all laws governing the issuing of Debit cards (including identification and verification of any additional Cardholders in accordance with the AML

Legislation).

When we issue an additional Visa card at your request:

- you agree that you will provide the Additional Cardholder with a copy of these Conditions of Use and any updates we make to these Conditions of Use from time to time that are communicated to you;
- you will be liable (in the first instance) for all transactions carried out by use of the additional Visa card. Fraudulent or unauthorised transactions can occur on Debit cards. Where you (or your Additional Cardholder) advise us that a transaction that has occurred on your Visa card or your Additional Cardholder's Visa card is fraudulent, unauthorised or disputed, we will investigate and review that transaction in accordance with section 16 below;
- you authorise us to give to any Additional Cardholder information about your accounts for the purposes of their use of the additional Visa card. You also authorise us to act on the instructions of the Additional Cardholder in relation to their use of their additional Visa card, except to the extent that any such instructions relate to the termination of your accounts or the replacement of an additional Visa card following cancellation of that Visa card by you; and
- you can cancel the additional Visa card at any time by cutting it in half diagonally and either returning the pieces to us and requesting the additional Visa card be cancelled or by informing us that you have destroyed the additional Visa card and disposed of the pieces securely. You must then write to us confirming cancellation of the additional Visa card. If you cannot destroy the additional Visa card you should contact us by telephone and request that we place a "stop" on your Linked Account.

If an Additional Cardholder does not comply with these Conditions of Use then you will be in breach of these Conditions of Use (refer to section 12 below).

11. Renewal Of Your Visa card

We will forward to you and your Additional Cardholder a replacement Visa card before the expiry date of your current Visa card or additional Visa card, provided that you are not otherwise in default under these Conditions of Use.

If you do not require a replacement Visa card, either for yourself or your Additional Cardholder, you must notify us before the expiration date of your current Visa card. You must give us a reasonable time to arrange cancellation of the issue of a replacement Visa card.

We may issue a new Visa card to you or your Additional Cardholder at any time. All reissued Cards are subject to these Conditions of Use. We will typically do this in circumstances

where we consider that the security of your Visa card or PIN may have been compromised or where we are required to issue new Cards to all our Cardholders as a result of any payment scheme rule changes. In these circumstances, you will not be charged any replacement Card fee.

12. Cancellation And Return Of Your Visa card

The Visa card always remains the property of BankVic.

We may cancel your Visa card and demand the return of the Visa card issued to you and your Additional Cardholder at any time:

- for security reasons where your Visa card has been or is reasonably suspected by us to have been compromised and such compromise has been caused directly by you, an Additional Cardholder or any other third party as a result of your conduct;
- if you breach these Conditions of Use or the Terms and Conditions of the Linked Account and you fail to remedy that default within 14 days after receiving a written notice from us requesting you to remedy the default;
- if you close your Linked Account;
- if you cease to be a member or
- if you alter the authorities governing the use of your Linked Account (unless we agree otherwise).

We may also capture your Visa card at any Electronic Banking Terminal.

In these circumstances, we will notify you that your Visa card has been cancelled.

You may cancel your Visa card or your Additional Cardholder's Visa card at any time by giving us written notice. In these circumstances you must either cut in half all Visa cards for your protection, including cutting in half any chip on your Visa card and confirm by telephone that all Visa cards have been destroyed and that you have disposed of the pieces securely. You must then write to us to confirm cancellation of your Visa cards.

We may restrict the ability for you to access any available funds from your Linked Account by using your Visa card and prevent you and your Additional Cardholders from using your Visa card in circumstances where:

- you are in default in accordance with these Conditions of Use; and
- we have notified you of this default and advised you that it will restrict access to your Linked Account through use of your Visa card if you do not rectify the relevant default in accordance with the timeframes set out in the notice we provided to you.

We, where possible, will provide you with at least seven (7) days notice of our intention to restrict the ability for you to access any available funds from your Linked Account by using your Visa card.

13. Conditions After Cancellation Or Expiry Of Your Visa card

You must not use your Visa card or allow your Additional Cardholder to use their additional Visa card:

- after it has been cancelled or restricted; or
- after the expiry date shown on the face of the Visa card.

In some circumstances your Visa card may be used for store purchases which are below certain Floor Limits (which are set by the relevant merchant's financial institution) and where no electronic approvals are in place or if a transaction is processed manually. If you or your Additional Cardholder use your Visa card after it has been cancelled or restricted in these circumstances, then you will be liable to us for the value of any transaction as well as any reasonable costs incurred by us in collecting the amounts owing. Any such amounts are immediately due and owing upon demand by us.

14. Your Liability in case Your Visa card is Lost Or Stolen or In The Case Of Unauthorised Use

1. You are not liable for any loss arising from unauthorised use of your Visa card:
 - a. where the losses are caused by the fraudulent or negligent conduct of:
 - i. BankVic;
 - ii. our employees or agents;
 - iii. companies involved in networking arrangements;or
 - iv. merchants or agents or employees of merchants;
 - b. before you have actually received your Visa card and/or PIN (including a reissued Visa card and/or PIN);
 - c. subject to section 13, where the losses relate to any component of your Visa card or PIN being forged, faulty, expired or cancelled;
 - d. where the losses are caused by the same transaction being incorrectly debited more than once to your Linked Account;
 - e. after you have reported your Visa card lost or stolen or reported the breach of the security of your PIN;
 - f. if you did not contribute to any unauthorised use of your Visa card;or
 - g. if the unauthorised transaction was made using your Visa card information without use of your actual Visa card or PIN.
2. For the purpose of section 14(1)(b), there is a presumption that you did not receive your Visa card unless we can prove that you received your Visa card by, for example, obtaining an acknowledgement of receipt from you or (if applicable) obtaining record of your activating your Visa card.
3. For the purpose of section 14(1)(f), we will undertake an assessment to consider whether you have contributed to any loss caused by unauthorised use of your Visa card. This

assessment will include a review of whether you:

- a. voluntarily disclosed your PIN to anyone, including a family member or friend;
 - b. voluntarily allowed someone else to observe you entering your PIN into an Electronic Banking Terminal;
 - c. wrote or indicated your PIN on your Visa card;
 - d. wrote or indicated your PIN (without making any reasonable attempt to disguise the PIN) on any article carried with your Visa card or likely to be lost or stolen at the same time as your Visa card;
 - e. allowed anyone else to use your Visa card;
 - f. unreasonably delayed notification of:
 - i. your Visa card or PIN record being lost or stolen;
 - ii. unauthorised use of your Visa card; or
 - iii. the fact that someone else knows your PIN; or
 - g. in relation to a transaction carried out at an ATM, used an ATM that incorporated reasonable safety standards that mitigated the risk of a Card being left in the ATM.
4. Where a transaction can be made using your Visa card but does not require your PIN, you are liable only if you unreasonably delay reporting the loss or theft of your Visa card.
5. If we can prove on the balance of probability that you have contributed to the unauthorised use of your Visa card under section 14(3) your liability will be the lesser of:
- a. the actual loss when less than your account balance (including the unused portion of any credit limit provided by us under any pre-arranged credit facility);
 - b. your account balance (including the unused portion of any credit limit provided by us under any pre-arranged credit facility);
 - c. an amount calculated by adding the actual losses incurred for each day or for each relevant period, up to the current daily or other periodic withdrawal limit, on which unauthorised use occurred before you reported the loss, theft or unauthorised use of your Visa card or breach of PIN security, up to and including the day you make your report; or
 - d. the amount for which you would be held liable if any Card scheme rules, such as Visa's scheme rules, applied (if you wish to find out what Card scheme rules apply to transactions made using your Visa card, please contact us).
6. In assessing your liability under section 14(5)(c):
- a. where your Visa card has been lost or stolen, the number of days will be calculated by reference to the day when you should reasonably have become aware that it was lost or stolen; and
 - b. the current daily withdrawal limit is the limit applicable at the time of the transaction by reference to the status and/or type of Electronic Banking Terminal at which

the transaction occurred.

7. Where a PIN was required to perform the unauthorised transaction and it is unclear whether or not you have contributed to any loss caused by the unauthorised use of your Visa card, your liability will be the lesser of:
 - a. \$150.00, or a lower figure determined by us;
 - b. your account balance (including the unused portion of any credit limit provided by us under any pre-arranged credit facility);
 - c. the actual loss at the time we are notified of the loss or theft of your Visa card or the breach of your PIN security, excluding the portion of the losses incurred on any one day which exceeds any relevant daily transaction or other periodic transaction limit; or
 - d. the amount for which you would be held liable if any card scheme rules, such as Visa's scheme rules, applied (if you wish to find out what card scheme rules apply to transactions made using your Visa card, please contact us).
8. In assessing your liability under this section 14:
 - a. we will consider all reasonable evidence including all reasonable explanations for an unauthorised use having occurred;
 - b. the fact that an account is accessed with the correct PIN, while significant, is not of itself conclusive evidence that you have contributed to the loss;
 - c. the use or security of any information required to perform a transaction that you are not required to keep secret (for example, your Visa card number and the expiry date on the front of your Visa card) is not relevant to your liability; and
 - d. the portion of losses incurred that you and the Financial Institution had not agreed could be accessed using the Visa card and/or PIN that was used to perform the unauthorised transaction shall be excluded from the calculation of your liability.
9. Your liability for losses occurring as a result of unauthorised use will be determined under the Code. The guidelines set out at the beginning of these Conditions of Use, are the minimum suggested security measures you should take. If you disagree with our resolution process, you should contact us and request that we review our decision in accordance with section 14.

15. Visa Zero Liability

In addition to the limits placed on your liability pursuant to the Code and described in section 14 above, Visa's scheme rules provide that we shall limit your liability to nil in the following circumstances:

- the unauthorised transaction(s) were not effected at an ATM (and will include transaction(s) effected prior to notification of: (i) the unauthorised transaction(s); or (ii) lost or stolen Visa

card, by you to us);

- you have not contributed to any loss caused by unauthorised use of your Visa card as described in section 14(3); and
- you have provided all reasonably requested documentation to us, which may include provision of a statutory declaration and police report.

Where this Visa zero liability section applies, we will endeavour to refund the amount of the unauthorised transaction(s) within five (5) days, subject to:

- you having provided all reasonably requested information to us;
- you are not otherwise in default or have breached these Conditions of Use; or
- we have not reasonably determined that further investigation is necessary before refunding the amount of the unauthorised transactions based on:
 - i. the conduct of the Linked Account;
 - ii. the nature and circumstances surrounding the unauthorised transaction(s); and
 - iii. any delay in notifying us of the unauthorised transaction(s).

Any refund is conditional upon the final outcome of our investigation of the matter and may be withdrawn by us where we consider that this section shall not apply as a result of that investigation. In making any determination in respect of this section, we will comply with the requirements of section 16 of these Conditions of Use.

16. Resolving Errors On Account Statements

If you believe a transaction is wrong or unauthorised or your account statement contains any instances of unauthorised use or errors, you must immediately notify us or the Visa card 24 Hour Emergency Hot Line as explained in section 4. As soon as possible, you must also provide us the following:

- your name and address, account number and Visa card number;
- details of the transaction or the error you consider is wrong or unauthorised;
- a copy of the account statement in which the unauthorised transaction or error first appeared;
- the dollar amount and an explanation as to why you believe it is an unauthorised transaction or an error;
- the names of other users authorised to operate the Linked Account;
- details of whether your Visa card is signed and PIN is secure; and
- any other details required by us.

If your complaint is immediately settled to your satisfaction or if it is settled to your satisfaction within 5 Business Days of receiving the relevant details from you, we will advise you of the outcome of your complaint by means other than in writing. If

you wish, you may request that we provide you with a written response.

However, if we are unable to settle your complaint within 5 Business Days, we will advise you in writing of the procedures for further investigation and resolution and may request further relevant details from you.

Within 21 days of receiving these further relevant details from you, we will:

- advise you in writing of the results of our investigations; or
- advise you in writing that it requires further time (not exceeding a further 24 days) to complete our investigation.

An investigation will continue beyond 45 days only in exceptional circumstances, for example, if there are delays caused by other financial institutions or merchants involved in resolving the complaint or in circumstances where we investigate the relevant transaction under the relevant scheme rules that apply (for example, Visa's scheme rules).

If we find that an error was made, we will make the appropriate adjustments to your account including interest and charges (if any) and will advise you in writing of the amount of the adjustment.

If:

1. we are a party to an industry dispute resolution scheme; and
2. that scheme provides a matter can be heard under the scheme if we do not give a final decision on the matter within a specified time.

We will advise you in writing about the option of taking the matter to the scheme within 5 business days after the specified time period expires.

When we advise you of the outcome of our investigations, we will:

- give you reasons in writing for our decisions by reference to these Conditions of Use and the Code;
- advise you of any adjustments it has made to your Linked Account; and
- advise you in writing of other avenues of dispute resolution (including Consumer Affairs Agencies and Small Claims Courts), if you are not satisfied with our decision.

If we decide that you are liable for all or any part of a loss arising out of unauthorised use of your Visa card, we will:

- give you copies of any documents or other evidence it relied upon; and
- advise you whether or not there was any system or equipment malfunction at the time of the transaction.

If we fail to carry out these procedures or causes unreasonable delay, we may be liable for part or all of the amount of the disputed transaction where our failure or delay has prejudiced the outcome of the investigation.

We have the ability to investigate disputed transactions which occur on your Visa card. The Visa scheme has a dispute resolution process that is contained in Visa's operating rules. The process sets out specific circumstances and timeframes in which a member of the scheme (for example, a credit union, a bank or another financial institution) can claim a refund in connection with a disputed transaction on a cardholder's behalf. This right is referred to as a "chargeback right". Accordingly, our ability to investigate a disputed transaction on your behalf is limited to the time frames imposed pursuant to the Visa scheme rules. The timeframes vary between 75 days and 120 days so it is important that you notify us as soon as you become aware of a disputed transaction.

For disputed transactions made outside the Visa scheme rule timeframes, BankVic is still obliged to investigate the claim and apply the liability provisions to which it is contractually bound under the ePayments Code.

You may wish to dispute a transaction in circumstances where:

- the transaction is not recognised by you;
- you did not authorise the transaction;
- you did not receive the goods or services to which the transaction relates;
- the transaction amount differs to the purchase amount;
- you did not receive the requested cash from an ATM (or you only received part of the cash requested); or
- you believe a transaction has been duplicated.

17. Malfunction

Other than to correct the error in your Linked Account and the refund of any charges or fees imposed on you as a result, we will not be liable to you for any loss caused by an Electronic Banking Terminal malfunctioning if you were aware, or should have been aware, that the terminal was unavailable for use or was malfunctioning.

Where an EFTPOS Device is not working, the merchant may provide alternative manual processing of the transaction. You will be required to present your Visa card and sign a voucher. The voucher authorises us to debit your Linked Account with the amount of the transaction (which will reduce the balance in your Linked Account).

18. Statements and Receipts

A transaction record slip will be available for each financial transaction carried out with your Visa card at an Electronic Banking Terminal.

You should obtain, check and retain all transaction record slips including sales and cash advance vouchers issued to you for checking against your statements.

If you are an internet banking user we will provide you with an electronic statement ('eStatement') of all activity on your account at least once every three months. You will receive a notification via email when the statement becomes available via

Online Banking. Please ensure you provide a valid email address and inform us if it changes. You can update your email address via internet banking by going into the My Preferences tab and clicking My Profile. If you do not use internet banking you can request a paper statement

You may request a copy of your account statement at any time. You should check with us whether fees and charges will apply in these circumstances.

19. Fees and Charges

We reserve the right to charge a fee for any transaction at an Electronic Banking Terminal or for issuing additional or replacement cards. We are authorised to debit your Linked Accounts with those fees (which will reduce the balance in your Linked Account).

If you consider that we have incorrectly charged you a fee or charge, you may dispute this by contacting us in accordance with section 16. Any incorrectly charged fee or charge will be reversed by us.

You will be advised by us of any applicable fees and charges at the time you apply for your Visa card. These fees and charges may change from time to time and you will be notified of new fees in accordance with clause 21.

Details of applicable fees and charges, including;

- card replacement fee for replacement cards issued in Australia and overseas;
- fee for emergency cash issue overseas;
- voucher production fee where you require production of a transaction voucher (this will be waived if the voucher establishes the transaction was not authorised);

are set out in our fees and charges brochure which is available on our website bankvic.com.au or on request.

20. Government Fees and Charges

We reserve the right to pass on to you any fees, charges, duties and taxes that are imposed on the use of your Visa card by government or by any regulatory authority. We are also authorised to debit your Linked Account with those fees, charges, duties and taxes (which will reduce the balance in your Linked Account).

21. Changes to Conditions of Use

We reserve the right to change these Conditions of Use and to vary the fees and charges that apply to your Visa card. If you wish to cancel your Visa card as a result of any change or variation we make to these Conditions of Use, you must contact us to cancel your Visa card. In these circumstances, you will not be charged any additional fees or charges associated with our cancelling your Visa card. If you retain and use your Visa card after notification of any changes we have made to these

TERMS & CONDITIONS

Conditions of Use, your use of your Visa card shall be subject to those changes.

We will notify you in writing at least 20 days before the effective date of a change if it will:

- reduce the number of fee-free transactions on the linked account permitted at Electronic Banking Terminals;
- impose a fee or charge;
- increase your liability for unauthorised use; or
- adjust daily withdrawal limits.

We may notify you of changes either through:

- a letter or other direct communication to your last known address;
- notification through electronic means;
- notices on, or sent with account statements;
- announcement in our newsletter;
- notice on our website;
- press advertisements;
- notices on Electronic Banking Terminals or in branches.

In addition, in the last three cases, we will give you written advice of the changes at the time of your next account statement.

If a written notice is delivered to you personally the date of delivery is the date you receive the notice.

Written notice will not be given of a variation that is required by an immediate need for us to restore or maintain the security of our systems or your linked account.
