**#HashiConf** was unbelievable! Observed, shared, learned and now time to practice. @DigiPlatEng @CapgeminiUK

Wow #HashiConf you did it again. You totally exhausted me yet filled me with energy. You gathered a group of high quality humans and gave them beautiful spaces to learn from each other. Let's do this again next year.

Standing room only for @armon's opening keynote at **#HashiConf**. 1200+ attendees...amazing growth... congrats team @HashiCorp!

HashiConf is not just about the talks. Each year as the conference grows, what our attendees find so special is the human connection and the interactions with the HashiCorp community. Most of this takes place in The Hub.

#### The Hub

The Hub is the heart and soul of the conference, and where all of our sponsor booths can be found. Here our attendees can talk with Hash developers in the HashiCorp Zone, gather for meals, grab a coffee, sp time with other attendees, and connect with you, our sponsors.

Next to the keynotes and sessions, it is where our attendees spend the most time and find the most value. As a sponsor, you will be helping create the atmosphere of connection which makes HashiConf so specyear after year.
