

# Transportation Information

---

Please note that the bus schedule will change every year based on current student needs and the most efficient bus route.

*Nightingale sends a survey before the school year begins to survey who needs the independent bus service to create the routes. At this time we cannot guarantee specific stops for the 2024-2025 independent bus routes but we will certainly do everything we can to accommodate all families who need the bus.*

*\*Due to Department of Education parameters, we are only able to offer DOE bus service in the mornings and afternoons to K-VI students who live in upper Manhattan. Most other students are*

*eligible for a New York City MetroCard. If you live in lower Manhattan, Brooklyn, Queens or the Bronx, you may be eligible for the independent busing service. Please contact the Lower School Office for more information about independent busing. Please note that all bus routes are subject to change by the DOE.*
