

1973-75 K-5 Blazer

**PARTS:**

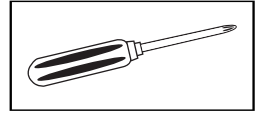

Dash Pad

Buttonhead
Screw

Machine Screw

TOOLS NEEDED FOR ASSEMBLY:

1. Phillips Screw Driver

STEP 1: Remove bezel and vents from old Dash and install onto new Dash Pad.

STEP 2: Mount Dash Pad as shown below. Remove bezel of odometer and speedometer, etc. before placing Dash Pad in place.

STEP 3: Use Machine Screws to fasten passenger side of Dash Pad. (4 Machine Screws)

STEP 4: Placing odometer and speedometer bezel back in place. Place in from right side of Steering wheel. Use Machine Screws (7) and Buttonhead Screws (2) to fasten Dash Pad. Install Complete.
