

NEWS RELEASE**4th March 2021****DECISIVE CROWNED DIRECT INVESTMENT PROGRAM TEAM AT THE *WEALTHBRIEFING* SWISS EAM AWARDS 2021**

Decisive one of the industry leaders has been crowned 'Direct Investment Program Team' at the 8th Annual ***WealthBriefing* Swiss EAM Awards 2021**.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognize companies, teams, and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence during 2020'.

Commenting on the firm's success, Elie Chamat, Senior Partner and CEO at Decisive, said:

"We believe that in the end, performance is just the result of daily hard work, critical thinking, and teamwork. And we know that luck is a four-letter word that should play no part in building portfolios. Clients expect us to future-proof their investments and their 'next gen' portfolios, so our commitment to them is to leave no stone unturned in looking for opportunities. Disruptive technologies are behind most of the market performance of the past decade or so and will continue to drive the smart investments of tomorrow. That's why we keep hunting out private deals in transformative sectors and rely on our specialists and deep due diligence to deliver access to the real value creation of the future."

ClearView Financial Media's CEO, and Publisher of *WealthBriefing*, Stephen Harris, was first to extend his congratulations to all the winners. He said: "The firms who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations. These awards were judged solely on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards recognize the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in wealth management.
