THE NEW MATEUS TERRACE: THE IDEAL PLACE TO TOAST UNDER THE CAPARICA SUN

Press Release, 16 September, 2021 – On Friday, 17 September, Mateus Rosé will have a new venue south of the Tagus river. The new Mateus Terrace, located at the Tryp Hotel in Caparica, is the ideal place to toast to life in good company under the glorious Costa da Caparica sun.

With a superb view over the sea, the new rooftop bar at the Tryp Caparica Hotel now has décor based on the Mateus pink look & feel, very much in line with the ideal moments envisaged by the brand, whether you're enjoying Mateus with a group of friends, or a more intimate drink in special company ensconced on an outdoor swinging sofa for two.

Relaxed and informal, the Mateus Terrace was designed to cater for lovers of the most famous rosé in the world. It has a young, light and fresh profile that deserves to be enjoyed outdoors, gazing at a lingering sunset after a long day at the beach or at work, or simply when the mood calls for it.

The Mateus Terrace is set to open its doors on 17 September, and it will be open everyday, from 4 p.m. to 11 p.m.

Address: Hotel TRYP Lisboa Caparica Mar | Av. Gen. Humberto Delgado 47, 2829-506 Costa da Caparica
