FAQs

Is this a free hackathon?
Yes, the registration and participation in Sogrape Impact Hack is free of any charge.

Once I register, I'm automatically accepted?
No, there is a selection process. The selection of Teams will be done considering the following criteria: (i) fit between the background of the Team and the competition goals; (ii) academic experience; (iii) motivation.

Do I need to be available all the time?
All the team members must be present at the venue of Sogrape Impact Hack during the whole duration.

Should I use my own laptop?
Yes, you should use your own devices.

During the competition, if I'm not understanding something how do I ask for help?
During the competition, all teams will have access to mentors that can help if necessary. The Organizer will make sure use all possible effort that all the requirements are met for the good functioning of Sogrape Impact Hack.

What will happen to our projects?
Sogrape's Innovation Team will follow-up the winner project.
