TASTING NOTE

Gazela has a very light color, with a slight fizz that enhances its bouquet, flavors and freshness. Aromatic and engaging, Gazela adds to its citrine and tropical fruit notes a lively and stimulating acidity. The end product is an elegant, versatile, and very attractive wine.

GRAPE VARIETY

Loureiro; Pedernã; Trajadura; Other white grape varieties.

WINEMAKING

The grapes are destemmed and gently crushed. The resulting must is separated from skins in pneumatic presses and subjected to static decanting for 24 hours, suitably protected from oxidation, until it reaches the required level of clarity. Fermentation in stainless steel vats then follows, under a controlled temperature of about 16°C.

MATURATION

Gazela is bottled immediately after fermentation and blending, in order to guarantee its original freshness.

SERVE

Gazela should be served chilled at a temperature between 6°C - 8°C | 42.8°F - 46.4°F.

ENJOY

Gazela is ideal to be drunk with friends having a good time.
