SILK & SPICE

Silk & Spice Red Blend 2022

PRODUCT DESCRIPTION

Silk & Spice brings new meaning to the 16th century trade route between Europe and Asia. The "Spice Route" was created by Portuguese explorers in 1498 and allowed the world to enjoy flavours such as nutmeg, cinnamon, cloves and pepper. Some of these spices and aromas come to life in this red wine, whose exceptional, deep flavours are born from the indigenous grapes and unique terroir of Portugal.

TASTING NOTE

Deep, intense ruby colour with a bright red rim. The predominant flavours are ripe and cooked black fruit. Sweet notes of vanilla and nuances of mocha. The first impression in the mouth is rich and full. Excellent balance between tannins and acidity, with a long, smooth finish.

GRAPE VARIETY

Alicante (30%); Touriga Nacional (40%); Baga (30%).

WINEMAKING

The grapes were harvested and vinified separately according to grape variety. On arrival at the winery, the grapes were destemmed and taken to the fermentation tanks, where the winemaking process took place. Alcoholic fermentation took place over about 8 days, at an average temperature of 26 °C.

MATURATION

After alcoholic fermentation, the must was removed to separate the wine from the coarser sediments. It was then stored in stainless steel tanks until the day of bottling.

SERVE

Serve directly from the original bottle. Recommended temperature: 15°C to 17°C. Drink within 24 hours of opening.

ENJOY

This wine's balanced profile and smooth flavour make it suitable for enjoying on its own or with meals. It is excellent paired with grilled meat or tomato-based dishes such as lasagne and pizza.
