

# November Gardening Calendar

## Approximate Dates & Gardening Activities:

- 4 - Treat current crops for mildews and aphids
- 6 - It's time for cold crop planting—broccoli, lettuce, cauliflower, etc.
- 11 - Warm days means there's still time to plant your ryegrass seed for a great winter lawn
- 13 - It's the perfect time to plant pansies—winter's hardiest flower!
- 15 - Fertilize your ryegrass after 2nd mowing with Ferti-lome New Lawn Starter Fertilizer, Ferti-lome Green Maker premium lawn food or with E.B. Stone Organics Natural & Organic Lawn Food.
- 20 - Looking for festive holiday color? Hanging baskets make a great addition to your garden or patio!

*Happy Thanksgiving!*

Late November - Christmas trees available now! Buy yours early and enjoy it all season long!
