January Gardening Calendar

Approximate dates and gardening activities:

- Jan. 5 - Draw up your spring garden plans
- Jan. 7 - Prune roses and wisteria
- Jan. 12 - Feed the birds. SummerWinds has both hummingbird feeders and seed feeders
- Jan. 14 - Plant sweet peas
- Jan. 15 - Clean up the ornamental grasses
- Jan. 20 - Prune the fruit trees and use dormant spray either All Seasons Oil or Bonide® Copper Fungicide
- Jan. 21 - Keep drains and gutters clear for good water flow during this rainy season
- Jan. 23 - Mist houseplants or use a humidity tray if the heater is drying the air in your house
- Jan. 26 - Watch for frost warnings and cover sensitive plants. Plant blankets are available in-store
- Jan. 28 - Plant some pansies, stock, or poppies for some color in the garden
- Jan. 29 - Apply E.B. Stone Compost to your roses and fruit trees to keep the soil microbes happy over winter
- Jan. 31 - Spray for overwintering bugs and fungus pathogens like powdery mildew
