

February Gardening Calendar

Approximate Dates & Gardening Activities:

- 1 - It's time to plant your edible bulbs.
- 5 - Tomato and pepper plant starts in store now!
- 8 - Have you fed/fertilized your spring plantings yet? We've got a variety of products to choose from—including natural and organic fertilizers.
- 12 - Valentine's Day is on 2/14! Pick up a beautiful hanging basket, houseplant, or even a rose bush!
- 15 - Start feeding (fertilizing) your citrus—now through March.
- 19 - Check your garden for insects. Ask us about solutions.
- 22 - Plant a shade tree today and escape some of our AZ heat later...
- 26 - Prune back frost-damaged plants to promote healthy, new growth.
- 28 - New spring color is arriving in-store now...
