# September Gardening Calendar

## Approximate dates and gardening activities:

September 1 - It's time to finish harvesting your summer vegetables

September 4- Celebrate Labor Day with Us - We Are Open Regular Hours

September 11 - Grandparents Day! - Give them the gift of green with a SummerWinds Gift Card

September 14 - Start planning for fall vegetables like Broccoli, brussels sprouts, cabbage, cauliflower and peas

September 17 - Plant fall color like rudbeckia, echinacea, and coleus

September 19 - Plan for spring color: buy fall bulbs like daffodils and freesia. buy tulips and hyacinth so that you can chill them for 6-8 weeks

September 23 - Prune fruit trees to control size

September 26 - Fertilize fruit trees before winter. Fertilizing citrus can help with leaf yellowing in the winter

September 28 - Set out Citrus leaf miner traps to monitor leaf miner populations

September 30 - Plant mums for some great fall color
