

## Approximate Timing & Gardening Activities:

### Early January

- Happy New Year! We are closed today (Jan. 1) but will be open tomorrow!
- Have you already harvested your lettuce and broccoli? There's still time to plant another crop.
- It's rose pruning time! Clean up your roses to get ready for spring blooms!

### Mid-January

- Check for incoming early tomato plant starts at your local SummerWinds.
- It's soil testing time! Start amending your soil for spring planting.

### Late January

- Has the temperature started to warm? If so, check for new herb and vegetable starts at your local SummerWinds.
- It's time to prune your deciduous fruit trees.
- GORGEOUS COLOR IS HERE! Fill in your raised and in-ground garden beds, and planters with beautiful spring color!
