

## March Gardening Calendar

### Approximate Dates & Gardening Activities:

#### Early March

- There's still time to fertilize your citrus for the tastiest, healthiest fruits!
- It's time to plant your peppers!
- Warm weather is back! Flowers are blooming now....

#### Mid-March

- Colorful shrubs are blooming! Add them to your garden for a new spring look!
- Feed me! It's time to fertilize your trees and shrubs for their optimal growth and health.
- Now's the time for squashes and warm-weather vegetables and herbs!

#### Late March

- Anything "bugging" you? We've got safe and effective bug solutions!
- How's the weather? It may be time to get shade cloths ready...
- Summer flowers arriving now! Call your local SummerWinds to check for availability or follow us on Instagram and Facebook!
