

August Gardening Calendar

Approximate Timing & Gardening Activities

Early August:

- Want a summer lawn or limited turf area? Last chance to plant Bermuda grass by seed!
- Looking for lawn alternatives? Check out our low-water-use groundcovers...
- Shade cloth can protect your precious plants from our extreme heat!
- Start seeds indoors for fall vegetables - we've got the tools you need to successfully grow from seed.
- Amend your soil to help get your garden ready for fall veggies and herbs.

Mid-August:

- Fertilize your citrus for the tastiest and healthiest fruits!
- It's time to plant early tomato starts.
- Add iron and nitrogen to soil to stave off the yellowing of plants.
- It's time to plant melons.

Late August:

- Fertilize your grass for a superior lawn or limited turf area.
- New citrus trees arriving now!
- It's time to fertilize your trees and shrubs.
- It's petunia time - check your local SummerWinds for availability!
