

JOIN OUR TEAM OF ASSOCIATES

We are a Tier 1 Corporate M&A law firm which is divided into two departments: Corporate and Disputes & Investigations. We are looking for talented and ambitious law graduates to join our Firm as Associates from September 2021.

From the outset of your career with us, you will work in a truly international environment and in close collaboration with our Senior Associates and Partners on some of the most significant and complex M&A transactions and Disputes & Investigations matters in Denmark.

Our remuneration system is based on a firm-wide lock-step model, creating an equal compensation system regardless of individual performance. This supports one of our core values which is that our competitive instincts are always turned outwards and never inwards.
