Who are we?

*We collaborate* in teams where a variety of personalities and backgrounds are bound together by our lock-step model, developing and stimulating ambitious team players. We do not believe in differentiated remuneration.

*We dedicate* ourselves to actively supporting a more sustainable world by financial donations and by investing ourselves in sustainability projects in Denmark and abroad.

*We motivate* each other with a high degree of responsibility shared already from day one. We develop our lawyers to perform on an international scene.

*We innovate* the law by participating in the legal debate with peer-reviewed articles and text books and by teaching at universities. We have created legal solutions which many believed were unachievable.

*We evaluate* our performances continuously against the client's expectations. We never take our clients and their work for granted.

All of this makes us what we are: A Tier 1 law firm.
