

We are looking for Trainees!

For our Corporate M&A, Disputes & Investigations, and Real Estate teams.

Who are we?

We collaborate in teams where a variety of personalities and backgrounds are bound together by our lock-step model, developing and stimulating ambitious team players. We do not believe in differentiated remuneration.

We dedicate ourselves to actively supporting a more sustainable world by financial donations and by investing ourselves in sustainability projects in Denmark and abroad.

We motivate each other with a high degree of responsibility shared already from day one. We develop our lawyers to perform on an international scene.

We innovate the law by participating in the legal debate with peer-reviewed articles and text books and by teaching at universities. We have created legal solutions which many believed were unachievable.

We evaluate our performances continuously against the client's expectations. We never take our clients and their work for granted.

All of this makes us what we are: A Tier 1 law firm.
