

WE ARE LOOKING FOR NEWLY GRADUATED ASSOCIATES TO JOIN OUR FIRM IN FEBRUARY 2022

We are a Tier 1 Corporate M&A law firm which is divided into 2 departments: Corporate and Disputes & Investigations. We are looking for talented and ambitious law or business law graduates to join our Firm as Associates from February 2022.

From the outset of your career with us, you will work in a truly international environment and in close collaboration with our Senior Associates and Partners on some of the most significant and complex M&A transactions and Disputes & Investigations matters in Denmark.

Our remuneration system is based on a firm-wide lock-step model, creating an equal compensation system regardless of individual performance. This supports one of our core values which is that our competitive instincts are always turned outwards and never inwards.
